## **AUTOBIOGRAPHY OF BERTHA DUDDE.**

At the request of many friends Bertha Dudde wrote the following biography in 1953:

I have been writing messages, received through the inner Word since June 15, 1937. In answer to the many requests of my friends I will give you a picture of my earthly life, a short explanation of what I received spiritually, and my own feelings about all this.

I was born April 1, 1891, the second oldest daughter of an artist of Liegnitz in Schlesien, today's Poland I had a normally peaceful childhood, with six sisters in our parent home. I learned the cares of life at an early age. The desire to make money to help my parents made me learn the trade of a seamstress. As the financial needs of my parents continued, so the burden, and in this way I made myself useful.

My parents belonged to different denominations. Father was a Protestant -Mother a Catholic. We children were brought up in the Catholic faith, but never experienced pressure or force to follow the practices of the church so that each child in later years could pursue their own chosen course.

I myself was religious, but could not accept the doctrine of the Catholic system, although I respected the church. I could not represent something on the outside that my inner conscience had not accepted. So I did not continue to attend church, heard little preaching and had no knowledge of the Bible. I did not read any religious books or scientific literature and did not join any other group or religious sect.

Anyone knowing the Catholic teaching knows what a conscious struggle one finds himself in when he wants to loosen himself from it. I also was not spared from this. But the question as to what is the Truth, and where it is to be found, remained.

**Often when I prayed the Lord's prayer I would beseech the Lord to allow me to find HIS kingdom. This prayer was answered in June 15, 1937, as I prayed quietly and waited on the inner voice. In this attitude I persisted often, for a wonderful peace came over me and thoughts which came to my heart, not my head, gave me comfort and strength.**

Still I did not know that these thoughts were given to me, until in a strange dream I experienced something, which later proved to be the Truth and caused me to write down these thoughts.

So on a certain day as I listened inwardly a stream of words came to me, which I wrote down. This was the first message I wrote which started like this: **"In the beginning was the Word, 'a TE-DEUM' to the Creafor of Heaven and Earth."**

Then came doubt, ....did you write this by yourself? In short, I have wrestled, prayed and gone through many struggles, but again and again the words came to me like a stream, a wisdom, which made me tremble. Then GOD HIMSELF took away my doubts. HE answered me and I acknowledged HIM as our Father, in HIS Word. My faith grew, doubt diminished, and I received and wrote daily.

The contents of the writings were beyond my understanding. Phrases, which I had never heard of, or read about, strange and scientific expressions and references continually came to me. Then came unheard of expressions of the Heavenly Father's Love giving refuge and providing enlightenment to all the questions of life.

The "Words" came to me in the following manner: After sincere prayer and a short period of composure I listened inwardly. Thoughts then followed coming to my mind, clearly, distinctly, and the words flowed smoothly always three or four, one after another, like writing a radio announcement or a weather report, slowly so that I could easily keep pace, writing line after line.

Now, I write the words in shorthand as a dictation without having any constructive or intellectual part in it. I am in no way in a 'trance', nor do I even form the sentences, but it comes to me one word at a time, neither do I understand the context while I am writing the words down.

After days, sometimes weeks, I transcribe the shorthand writings into longhand without changing or correcting a syllable. Each dictation takes about half an hour. I must stress that this could not happen forcibly or in a state of ecstasy. It all takes place simply and consciously, without any excitement or influence of my own will. I can interrupt myself at any time and finish the sentence after hours or days without reading the previous writing the dictated words continue again.

My will is under no compulsion, all that I desire is to serve GOD and do what HIS Will wants me to do.

I can truthfully say that I was led into this Truth, and these concepts were, in all respect foreign to me. It was only after years that I found confirmation of what I received, when I came to know the writings of Jacob Lorber. No one can imagine my joy when I discovered the literature of Jacob Lorber; "The Great Gospel of John" and the "Youth of CHRIST" Then I understood that other people were given the Word of the Lord, that GOD had spoken to HIS children at all times and that GOD will continue to do this in HIS endless Love and Mercy.

I found in Lorber's writings the same as was given to me. I often could not understand the word that came to me, but in HIS Love the Heavenly Father gave me the explanation. How wonderful are the innumerable manifestations in which the Father displays HIS exceeding great goodness.

It became clear to me that my short education, due to lack of money and my lack of time to read good books or visit performances, became my advantage. I could now concentrate on my work from early morning to late at night, and each day I received that precious spiritual Word without knowing for whom I received it.

It is because of my ignorance of the Bible and the Catholic doctrine that I accepted the Word from Above without resistance. In my experience an earnest Catholic or Protestant whose knowledge is rooted in dogmatic theories is too much bound to their dogma to accept and embrace Divine revelations without resistance.

Still there are scientists at several faculties who earnestly discuss these Divine teachings with increasing interest. Their interest does not only concern the irrefutable explanation of the origin of matter and the possibility of its dissolution, but also the principle of the wrong teachings of different religions, systems and confessions. In the messages I received these errors are recorded and everyone is urged to give instructions concerning these doctrinal errors whenever there is an opportunity.

But everyone is free to take the LORD's Word to heart or not. But whoever understands the spirit in the Father's Word and does not act accordingly makes the distance between himself and the Father even greater. When he does not follow the warning words of Love he puts himself inevitably under the law. He will also in the same measure lack in Grace, disregarding GOD's commandment of Love.

In GOD's Grace people are led anew to the gospel, which emphatically points out the purpose of man's being. For the merciful Love of GOD seeks to save all who still can be saved before the turning point comes. And it will come. The end-time of which seers and prophets have proclaimed is now here. According to the revelations given to me, the LORD does not differentiate between HIS children. "Come ye all to ME" sounds HIS call and blessed is he who hears HIS call and follows HIM. GOD Loves HIS children. HE wants to make them all happy, even when they do not want to know HIM.

### **The soul's fate after physical death...**

After death you will enter a completely different world than earth, but you have the possibility on earth to shape this world such that it will make you happy and you will gladly replace your life on this earth with it. For you can acquire a kingdom of light and beatitude for yourselves if you live an appropriate way of life on earth, if you readily accomplish your psychological task and gather possessions for the spiritual kingdom. Then the world which you enter will truly be a kingdom of bliss, you will not stop rejoicing and marvelling and would never ever want to return to earth again, if this were at all possible.

Thus you yourselves create the world which will receive you after the death of your body.... And therefore you should live responsibly on this earth. For you can also enter a dark and barren kingdom where you will be miserable and which you nevertheless will be unable to leave at will, since your free will aspired to this kingdom while you lived on earth. This, too, was your own affair; it was your own will, for your way of life on earth was such that your fate in the spiritual kingdom could only result in torment and constraint, in darkness and weakness.

Yet either way you will enter a different world, a spiritual kingdom, where all earthly goods will be lost to you, where you will only find what you had spiritually acquired for yourselves on earth. And therefore it is a dreadful state for souls which had not acquired any spiritual goods at all, which had only tried to obtain earthly goods and therefore entered the kingdom of the beyond entirely destitute, where it will then be extremely difficult to attain spiritual possessions, albeit it is not impossible. For the world they occupy now is comparative to their state of soul.... It can mean that the soul continually wanders through dry and barren places where it can't find anything at all to satisfy its hunger by which such souls are constantly tormented.... which can only be satisfied with gifts of love.... with a supply of strength obtained through loving intercession for such souls.

This is why a soul can already be called blessed if it is followed by kind thoughts beyond the grave and if it has done good works that follow it into eternity.... But poor and needy are the souls which have not earned their fellow human being's love, which are followed by unpleasant thoughts and have to suffer them far more than you humans on earth can possibly imagine. Therefore, always let kind thoughts follow all deceased into eternity, take pity on them and help them find their way out of the first darkness, never leave them alone but often remember them kindly, it will make them feel good and they will experience it as a flow of strength, as a little help on their path of ascent, which they can only travel if this help is granted to them.

The soul creates its own fate which will await it in the kingdom of the beyond, and in order that it will be a beautiful and pleasing one you shall work for it while you are still on earth, you shall acquire spiritual possessions and always carry out deeds of love, for such deeds will follow you into eternity and amount to a spiritual wealth with which you can work for your own and other souls happiness.... with which you can increase your bliss at any time and impart strength to other souls so that they, too, will walk the path of ascent and be able to become blissfully happy one day.... even if this path of ascent will require a lot of strength and effort, but with good will it is nevertheless possible to progress if they receive help from their spiritual friends and from people on earth who always remember such souls in their prayers....

Amen

### **The souls' great hardship in the beyond**

Souls which lack light suffer incredibly great hardship in the beyond. To describe this condition to you humans on earth would be truly sufficient to drive you to live your own life differently, but that would be the end of your freedom of will; driven by fear of the same destiny you would inevitably make an effort to behave differently, thus indeed comply with what is expected of you but not of your own accord, motivated by free will. Yet you shall know about the soul's fate, it shall be imparted to you, and then it is still up to you to believe it and to draw your own conclusions from it....

On entering the kingdom of the beyond these souls have lost everything they loved on earth, they own nothing, for they can only take across what they had spiritually acquired, and this is what they are mainly lacking. Since they lived a godless way of life they are engulfed by utter darkness and are totally powerless, yet they are not insensitive, for their environment causes them torment and terror, and these torments and terrors will also be experienced by a soul which had fearlessly and powerfully implemented on earth what had subsequently plunged it into darkness.... These indescribable sufferings will then either awaken the soul's desire to escape this condition or increase its evil instincts so that it will also look for satisfaction in this realm, which means that it will completely submit itself to the forces of darkness. Yet even the souls which had not left their earthly life in such sinfulness, but whose life had been devoid of love and indifferent towards all spiritual notions, are in a very difficult situation, for they, too, are extremely tormented by darkness, although this will, from time to time, give way to twilight if the soul is not yet entirely hardened, so that it will ask for light, for only the desire will enable the soul to attain the light.

But all souls are lacking the strength to want what is right.... and according to the law of eternity they cannot be given help if they don't desire it themselves. God's act of compassion is certainly not over once the soul has left the earthly body, but what it failed to use on earth even though it had owned it in abundance, it first has to acquire in the beyond, and it is too weak to do so.... Just always imagine them as extremely weakened, helpless beings which suffer indescribably and depend on help in order to be released from their suffering.... you would be overcome by pity for these beings if you were able to see their hardship. And you all know souls in the beyond of whom you don't know in what state they entered the spiritual kingdom.... you all have lost people through death who had been close to you.... At least remember the souls who had been dear to you and help them, for even the smallest work of redemption on these souls will result in further redemptions, and you will have contributed much towards it.

You can only help them through loving thoughts and prayers, through intercession on behalf of these souls which, admittedly, will not release them from their torment but it will give them strength on account of which the soul will be able to change its will and strive towards the light. It cannot be released from its painful situation against its will, but in order to want what is right it needs your intercession, a prayer given with love, as soon as it enters your thoughts. For you should know that the soul is asking for your help as soon as it enters your thoughts, that you are constantly surrounded by souls hoping for your help, and that you should not resentfully suppress thoughts of the deceased if you don't want to add to their agony.... The fate of these souls remains hidden from you so as not to impair your free will; you and the deceased souls occupy two worlds which are separated by a dividing line; you cannot look into their world and yet it exists and you are able to send much love from your world into theirs, the effect of which expresses itself in a way and to an extent that countless souls will be able to escape their situation. Often remember these poor souls and don't ignore them in their adversity, for you will be richly rewarded for what you do for them out of merciful love, in as much as that you will receive spiritual help on earth from all souls which have come out of darkness into the light....

Amen

### **The souls' agonizing fate in the beyond**

Anyone who has devoted himself to the world must and will fear death, for the human being does not disappear when he dies yet the soul leaves him, which is unable to die and thus continues to exist in the spiritual kingdom in a state which corresponds to its earthly life. Only now will the soul be able to enter the true life, which lasts forever and is a state of blissfulness, for in complete freedom, in light and strength it will be able to create whatever it wants which, however, is also My will, because it shall have completely subordinated itself to My will.... Yet it is also possible that it will stay in the kingdom of the beyond in an agonising state, in darkness and helplessness but still conscious of itself. In that case one can indeed speak of death, but not of a state of complete disappearance.... And its agony precisely consists of the fact that it knows with how much abundance of strength it had lived on earth, and now it is helpless and incapable of any activity.... The fact that it remains conscious of itself is the very reason for its increased torment but it can also help the soul to emerge from this state of death, by listening to the helpers by whom it is approached in the spiritual kingdom and following their instruction, which will result in a slight improvement for the soul.

Yet it is extremely difficult to encourage the souls to take care of other wretched souls, because they are only ever occupied with themselves, just like on earth they lack love and their selfishness is still predominant. Yet only love will enable the soul's progress in the beyond.... It has to receive loving intercession which it experiences as strength, and then it will be possible that it will change its will. It has to awaken love within itself by also paying attention to its needy brothers in the beyond and willingly offering small gestures of assistance.... These will then also be felt by the soul as an influx of strength and shall stimulate its will to love, which alone is able to release the soul from its agonising situation.

If it enters the kingdom of the beyond in utter spiritual darkness it can take a very long time before it becomes aware of its wretched condition and yearns for improvement.... But as soon as the desire arises to change its state of death, as soon as it realises that it no longer lives on earth and yet has not ceased to exist, it will also reflect on its situation and try to get out of it. And only this will bring it into contact with helpers, beings of light which come along in disguise and try to explain that it can escape its situation if it has the will to do so.... Especially unbelieving, departed human beings from earth require much intercession from the human side which will enable them to muster the will in the beyond to improve their situation. For every prayer on behalf of these souls conveys a flow of strength to them and this strength will never be lost, providing the soul leaves people behind on earth who will remember it in intercession....

Hence you humans are able to contribute to a large extent so that these souls, too, will overcome death, so that they will still awaken to life on the other side.... For as long as the soul is self-aware I will not abandon it, for then it will also be capable of changing its will, which need only be directed towards Jesus Christ and its redemption will be assured.... However, if it descends to a point when no spark of light will be able to reach it anymore, then it will continue to strive towards the abyss and harden again, and that also means disintegration and loss of self-awareness, it means renewed banishment into matter and the start of a new period of Salvation, because no being will be lost forever.... Because no being will remain dead forever, but one day for sure will return again to life everlasting.

Souls, which no longer have to go through this new banishment, will also be fought for in the kingdom of the beyond, and every person who lovingly remembers these souls is participating in the redemption work, and the souls will be eternally grateful to him for having led them from the night of death into the light of day.... For what once originated from Me as a being cannot cease to exist, but only when this creation is able to work in freedom, light and strength will it have come alive, and then it will never be able to go astray again....

Amen

### **State of twilight in the beyond...**

Souls passing over into the kingdom of the beyond without having found their Redeemer will find themselves engulfed by thick fog, providing they don't enter the kingdom of darkness due to their totally God-opposing way of life on earth. But there are people who have not become guilty of any explicit wrongdoing, whose offence generally consisted of failing to do good works, who can neither be called bad nor good and whose spirit is therefore not so dark as to be expected by profound darkness in the beyond. Nevertheless, they are not suitable for the kingdom of light either, for their souls are not yet receptive to light, their souls are still encased in thick twilight, they have absolute minimal realisation, depending on their deeds of love which a soul will be able to look back on.

And most souls called back from earth are in this kingdom of twilight.... people, who were apparently righteous in the world and yet have little faith because they lacked love on earth. And these souls are now facing a time of utter barrenness.... a time when they wander about lonely and alone with their thoughts. They are unable to recognise anything in their surroundings, they are spiritually blind and also incapable of perceiving anything but themselves, however, they have not lost their sense of identity, they also remember their past earthly life yet only rather indistinctly and occasionally.... They are in a permanent state of drifting about and searching, for they cannot find what they are looking for.... a place of peace and safety, since they failed to acquire it during their earthly life. They effectively had been parasites on earth, they had lived without having fulfilled their true purpose of life, they have only ever taken and given nothing in return.... irrespective of whether it is understood in an earthly or spiritual way.... They had not acquired any spiritual possessions for themselves but utilized their earthly life in line with their demands. They had spent their earthly life without having seriously thought about its meaning and purpose and living their life accordingly.... And this is what they will receive in the kingdom of the beyond; they won't find anything because they didn't acquire anything that is of lasting value in the spiritual kingdom. (*Matthew 6:19-21*)

Only now will it show as to whether such a person will be lovingly remembered.... For every loving thought is like a firm foundation on which the soul is now able to move with a certain sense of confidence.... Every loving thought provides the soul with a glimmer of light wherein it is able to recognise its surroundings, if only for a brief moment, but it is stimulated to reflect on it, and its state can only change through deliberation, by experiencing the blissful relief of every loving thought, by starting to regret when it realises what it had failed to do on earth. And, depending on its nature, its willingness and its resistance, the state of such a soul can change equally soon, if it is not entirely obstinately-minded, in which case its blindness can last for an extremely long time before the twilight will give way to a small ray of light.... And since only loving thoughts can provide this relief, much strength of intercession has to be bestowed upon the soul, it should not be left to its fate, which would merely infinitely prolong its lightless state, for only love will be able to change it, love, which fellow human beings will forward to such a soul and which the soul itself lacked in earthly life, but which will be accepted by God on behalf of such a soul....

But it is possible for all you humans on earth to render much help with your love, and you should therefore constantly stay in mental contact with the souls of the departed, time and again you should tell them about the Gospel of love and that they, even in the beyond, will still have to comply with these two commandments, to love God above all else and their neighbour as themselves (*Matthew 22:36-40; Mark 12:28-34*).... For this is the only way by which they will be able to make contact with Jesus Christ, without Whom it will be impossible for any soul to enter the kingdom of light. The souls still wandering about in the twilight have not yet made any contact with Jesus Christ, they have not yet found salvation, which was the reason for their life on earth, but they absolutely have to attain it in the beyond if they don't want to descend into the abyss.... Souls wandering about in twilight have not yet been pushed into the abyss, they still have a slight opportunity to find their path into the kingdom of light, for after a long time of barrenness beings of light.... which, however, do not identify themselves as such.... will repeatedly direct them towards the right path leading to Jesus Christ.

And in order that they follow the beings of light, in order that they surrender their opposition, they will require much intercession which you should not deny to the souls. They will be eternally grateful to you if your love prevents their fall into the abyss, if you help them to find their way out of the twilight into the kingdom of light, for your loving intercession will prevent their regression, their souls will become softer and more yielding, and they will find Salvation through Jesus Christ, Who forgives everyone if only he remembers Him and calls upon Him....

Amen

### **The state of souls in the beyond...misguided belief – unfelief - love**

Many people find it inconceivable that they could have direct contact with Me, which is proven by My direct communication, by hearing My Word in the form of thoughts. This is indicative of their distance from Me as well as their lifeless belief, a belief which was in fact traditionally adopted but which is not alive.... It is academically accepted knowledge which only seldom is contemplated so that a person forms his own opinion. People could deduct from such adopted knowledge that the eternal Deity has to and will reveal Himself, but faith in an eternal Deity is weak and thus religious doctrines are not taken seriously enough to achieve spiritual progress, which would result in a person trying to establish contact with Me. First I have to be sincerely acknowledged by a person before I can reveal Myself to him....

And this assured faith in Me is missing in a great many people, which is the reason why they live in spiritual darkness and will enter the spiritual kingdom in this darkness.

What they failed to do on earth they will have to make up for in the beyond without fail.... they have to think.... and due to their own fault are frequently too weak to do so. If labours of love follow them into eternity they will not be entirely without strength regardless of their unbelief. Their strength rests in the fact that they will not completely lose their recollection of the knowledge they dismissed on earth and are able to think about it. Whereas unbelieving souls without deeds of love following them will find themselves in dire distress, for they are unable to think clearly and cannot come to terms with their thoughts. Nevertheless, even these souls can be educated in the spiritual kingdom by other souls who are able to intelligibly present to them what they need to know....if they are willing to accept their teaching.

To render intercession for these souls is a labour of utmost love and compassion, so that they may receive strength of will and find access to circles where enlightenment can be given to them. Deeds of love can make good every deficiency and give the soul faith, but the spiritual darkness will only disappear when they have acknowledged Jesus Christ, for only He can redeem their guilt which resulted from their unbelief on earth. Misguided thoughts can soon be corrected where love and faith existed on earth, but unbelieving people first have to be introduced to knowledge, because they did not want to accept it on earth themselves, even if they upheld it before their fellow human beings.

I cannot give souls instant enlightenment if they do not acknowledge Me and if their love was not intended for Me or their fellow human beings.... I can only give them the opportunity to acquire knowledge, providing their will no longer opposes Me.... In that case My merciful love is also willing to give them light when they ask for it. Then the Gospel is brought to them again, which they can then accept or reject of their own free will. And depending on their will for good and their desire for instructions My teaching will enlighten them and the ascent will continue. But it will suffer great torment in darkness until an unbelieving departed soul from earth is touched by a ray of light and follows it, but as soon as it has experienced the benefit of light it will also be willing to change its nature, and it will always desire more light until it receives it.... The darkness only rarely releases souls, but I know when I can open the gates and set the souls free. I know when they are receptive to a ray of light and I will help them to find the way that finally leads to Me and to eternal joy....

Amen

### **Needy souls beg for prayers...**

Listen to the pleas of the dead.... Do not refuse them your intercession when they remind you of themselves, and know that without your help they have to suffer indescribably. The fate of an unredeemed soul is extremely sad, and you don't know whether a soul is redeemed or whether it is suffering in this painful state and requires your help. You can only help these poor souls with prayer because then they feel your love and this gives them the strength to improve their own fate. They change their will, and this is first and foremost necessary to initiate a transformation of their sad situation. The souls are grateful for even the least amount of support because they completely depend on you or on the mercy of the souls who have already attained a higher degree of maturity. But these are only permitted to help them when the souls' will requests a change of their present situation.... However, the will of such souls is weak if not completely inactive and therefore they often have to languish for an infinite length of time if they do not receive support by means of intercession which gives them the strength to change their will, i.e. to activate their will. If you could understand such souls' suffering you would not let them ask in vain.... because every thought of a deceased is their way of bringing themselves to your attention and a call for help in need.

Humanity is very unkind to each other and without belief in life after death. That is why it does not remember its deceased and thus they suffer greatly. Time and again they push themselves into the thoughts of the human being to induce him to pray for them. There is immense hardship in the beyond and even the souls of unknown deceased come close to those who compassionately remember the poor souls.... because they experience every gift of prayer as beneficial, as an increase of strength and will to ascend. Deeply compassionate people on earth are always surrounded by needy souls who are hoping for their help. Even the resolve to help such souls is a gift of strength to them and every loving thought which includes them strengthens their will. And then helpful beings in the beyond can come to aid these souls by conveying the strength which is necessary to lessen their overwhelming suffering. Human beings do not really know how to value prayer as a gift of mercy. They can achieve everything by right prayer because God Himself has offered this blessing to them and imposes no restrictions. However, the soul cannot help itself in the beyond but depends on help. And you should give them this love and help to save them from the most painful condition and to facilitate the start of their self-deliverance.... Once the soul has overcome the point of weakness then its aspiration only strives upwards and its greatest need is remedied. However, it has to receive the strength for this by means of loving intercession because only the action of love leads to the redemption of the soul. If the soul itself is too weak to do works of love the human being should lovingly support it so that it receives the strength which it needs for its progress. For that reason you should not forget the needy souls.... because they implore you to help them....

### **Prayer for poor souls...**

Souls in darkness suffer terribly. Their strength is depleted; it is a state of utter hopelessness as long as they don't know about the strength of love, which can lighten their fate. They wander around, their will is lethargic, and they will remain in this agonising state for an extremely long time if they do not receive help through prayer. You humans on earth are able to help them if you lovingly remember such poor souls and would like to ease their plight. For only love will give them strength. A prayer without love is worthless; it is a mere formality without effect. Only the degree of love determines the amount of strength they will receive. And thus you have to visualise the fate of these poor souls and know that they will beseech you to give them strength once they have felt the strength of love. They depend on your help as long as they are still in the abyss, as long as they cannot increase their strength themselves through knowledge, which, in the beyond, consists of loving actions for other needy souls.

Every kind, compassionate thought for those souls eases their plight, they feel this and then remain close to you. They ask for your loving intercession by pushing themselves into your thoughts. Don't forget them, don't turn your thoughts away from them. Give them a loving prayer and thereby help them to ascend. Alleviate their torment and, most of all, demonstrate the power of love to them, so that their love for other distressed souls arises and, by helping these souls, that they can liberate themselves from their own hardship. Their surroundings correspond to the state of their soul, dark and desolate, and when a prayer for these souls rises up to God a faint state of twilight occurs which gives the soul a glimmer of recognition and benefits the soul after the constant darkness. The degree of love in the intercession determines the brightness of light emanated into the darkness, and the soul turns towards the ray of light always expecting and pleading for more rays. Grant them their wish, don't leave them alone in their need, and give them the help which you are still able to give to them. But also bring the Gospel to them in thought, remind them that they should lovingly consider others in their environment and help them to receive a blessing of light as well by giving to them in turn what they received from you. You can alleviate immeasurable amounts of suffering, you can participate in the redemption of these souls because the gift of strength through your prayer affects their will which then becomes active in the right way. The soul uses the strength it receives to lovingly help other poor souls, and it begins its ascent for which it will be eternally grateful to you....

Amen

### **The souls' hardship in the beyond...Intercession...Change of will...**

The hardship of needy souls in the beyond is immense, for their situation is frequently insufferable because they are surrounded by dense darkness from which they cannot escape. However, the more a soul suffers the sooner it might analyse itself, reflect on its guilt and look for help, on account of which it will then pursue even the smallest ray of light in the hope of deliverance. Only when it tries to get away from the darkness can it be guided into the light. Prior to this it would be unable to understand the instructions, but also still too stubborn to accept the latter, so that every loving effort would be in vain. Every soul's will can be recognised by the beings of light, and accordingly they will guide those poor souls to the light who desire it, for these souls are then in a state when they can be given help, since they are willing to accept it and also request to be helped.... Then the act of Salvation can take effect on these souls, even on those from the abyss. Then Jesus' love and mercy has also affected individual souls in the abyss, and to bring release to them is an extremely rewarding task, to which you humans can contribute greatly with conscious intercession and mental instructions of those who approach you for help.

The souls in the beyond know that people on earth still have energy of life, which they lack completely, and therefore gather around people in order to receive strength from them. Admittedly, they don't know how the strength flows to them, nevertheless they ask people for what they are lacking, for what they don't have but are able to discern in people. Their severe hardship keeps impelling them toward people on earth, even though they often have but a faint memory of the knowledge they had on earth. Consequently, instructing these souls is not easy, since their poor intellectual capacity has to be taken into account and, in view of their guilt, their state of maturity lacks all awareness. Nevertheless, they hunger for explanations and are patient listeners when they are given to them.

There is immense hardship in the kingdom of the beyond which, however, can be eased by you humans if you are willing to help them, if you take pity on these souls and your willingness to help gets motivated. For your loving thoughts are already experienced by them as a perceptible influx of strength, and therefore they will never leave a person who helps them with loving thoughts and an appeal to Jesus Christ to help these poor souls. The divine Redeemer is always ready to raise the souls from the abyss, yet the law of love cannot be avoided, and if the soul itself is still unable to love, He will be satisfied with loving intercession and accept it as if it were offered by the soul itself.... And they will find salvation through His love and mercy.... People could contribute vastly to rescue souls from the darkness.... They all are appealing to you, as soon as they enter your thoughts you will know that they can be helped, that they are already in a state when they want help and that people's loving efforts will not be in vain.... Help them, save them from their plight, and thereby contribute towards the souls' salvation who neglected to work for their perfection on earth, and who are therefore in utmost distress in the beyond, which only people's love can help to alleviate....

Amen

### **Appeals for a gift of strength for the souls of the deceased...**

Whenever you can't help but think of a departed person you should know it is always an appeal for help which you should provide since no one else is taking care of them. And when they see your light they, too, would like to gather around you and draw strength from this light, for they often don't know the meaning of this light, especially if they were caught up in error until now. Then it will suffice to send just one thought to the soul inviting it to join you and accept a lesson. For especially the souls which are not followed by loving intercession suffer much hardship and they, too, shall be helped to come into the possession of truth. Just one conscious invitation to take part in your instructions is already enough to attract the souls permanently, with the result that they will not leave you anymore, that they will join the large group of those whom I will then be able to address Myself. And you will be constantly surrounded by souls wanting to increase their knowledge in order to pass it on to those who are less knowledgeable and whom they want to help as well. And then it will be essential that you inform them of My act of Salvation, for only when they have found Him and deliverance from their guilt will they accept profound knowledge. This first necessitates their activity of love, as they will only be able to understand it if they employ their will to love again in order to help souls which are suffering the same hardship. Only then will they themselves penetrate the truth ever more, and they will find it easy to hand themselves over to the divine Redeemer and appeal to Him for forgiveness of their guilt. Then, however, will the divine Word constantly flow to them and they will also accept it, irrespective of where and how it is offered to them. Yet especially the first step is very difficult for the soul until it has experienced the strength of intercession, which will express itself as a change of will and thus it is easier to influence, so that the soul will also comply when it receives its calling.

Therefore pay attention to every such request and offer assistance to the souls which desire help, which indeed remind many people on earth of themselves yet will only find intercession with those who are able to help them spiritually because they are in conscious contact with Me and I Am able to reveal Myself to them. And the fact that the strength of My Word is tremendously effective may be experienced by every soul once it has joined you, for its progress will be guaranteed....

Once I Am offered the opportunity to reveal Myself to a person through the working of My spirit, this person will stand amid a gleam of light which will attract many souls willing to accept the same as you have been offered, and due to you all souls which you include in your intercession will then no longer be able to go astray. For then you will only be motivated by love for these souls, and for the sake of this love I will also give strength to those on whose behalf you pray. I also have to apply the laws in the beyond and these first and foremost include the being's free will which may not be infringed upon, neither by Myself nor by My adversary.

Therefore it matters that you.... who also have to respect free will, lovingly remember the souls which are still weak-willed but unable to resist the strength of intercession and whose will you are therefore able to influence. Since they were beneficially affected by the strength of love they will no longer resist and be irresistibly drawn to you so that you then will also be able to convey the Gospel of love to them.

If only you knew how ardently your adherents (the souls) accept My Word, how they constantly feel that they are progressing, and how grateful they are to you that you, due to your intercession, helped them to participate in your instructions, you would not stop praying for such souls and even be pleased with their progress, for they, too, will protect you whenever possible, to prevent the receiving of the Word being interrupted.... you will also purify your surroundings, so that no one will become subject to the adversary's temptations as soon as they surround you. Precisely this makes your activity so important, since it enables you to contribute towards the redemption of many souls by offering them bread and wine, thus the delectable elixir of life and the most effective nourishment, and one day you will feel the inner joy of having been able to contribute towards the ascent of those who, without your help, would still have languished in darkness for a very long time....

Therefore take notice of every thought which reminds you of someone deceased, consider it a call for help which you must not reject, and then consciously call him close to you and the first step up will have been taken, for as soon as a person intercedes on behalf of such a soul, I will also be able to grant strength to the soul for the sake of this person.... which otherwise would not be possible for Me since it contradicts the law of eternity, as only free will can request strength, but which I now recognise in the loving intercession and thus grant My mercy to this soul and then will also be able to provide it with the grace of My Word through you.

People would be able to redeem all souls through loving intercession, but how few are aware of this and how great is therefore My adversary's power who will try anything to disrupt such contacts from the spiritual world to earth, but who will be unable to take effect if a human being hands himself over to Me with love and thus I will also protect

him.... especially if I want to speak through him to the souls in the beyond, which My adversary will never be able to prevent Me from doing.... For where the will for redemption exists people will be delivered from the one who had held them captive long enough and whose only weapon is love which will defeat him and from which he takes flight.... because it is and will remain My share for eternity....  
Amen

**Intercession for poor souls**

Always and at all places think of poor souls. They need your help and so are still in contact with earth until they have struggled through to the light. All means you use to get your souls matured are denied to them, and they are just always concerned about reducing their suffering, and so they wait for help which you men can give to them so easily through your prayer. All worry about your soul will some day be supported in many ways when only you think of the deceased quite often, which, once in the state of light, amply repay your effort to you. Therefore never leave out of consideration that, besides of earthly activity, your care on earth is to be for the activity in true neighbourly love and this also applies to the ones who have departed from earth. Do not allow them to starve, where already a thought in love, a prayer in loving memory gives them great relief. Because innumerable beings are supplied with power when a loving heart turns to the father in heaven to ask for favour. Likewise you are to consider how enormously important it is when love follows the deceased. What here on earth helps men with their bodily welfare can never bring relief in the hereafter, there love is the only power and strengthening, and without it the soul is exposed to all states of suffering. To whom God has given a long life, he is to value and make full use of this favour for eternity and to also think quite often of those who have been called away early to the hereafter. Life often gives men the opportunity to care for the state of the soul, where in the hereafter only the will of the beings is free. When it turns up, the soul is already helped very much, for then also spiritual help is supplied to it from above, but often the soul also lacks the willpower, and then its state is deplorable. And there you men have to give help; you have to try to imagine that you can stand by helpless beings, but carelessly go past their misery - that you need to apply only very little effort and with it you can already make the state of suffering more bearable for them. You must never believe that your prayer could have only little influence on the situation of such souls. Where love is really the cause of a prayer for the deceased there love has an effect on the souls of them which is remarkably alleviating suffering and gives help. No man on earth is able to imagine the suffering of the incomplete souls in the hereafter, and the deep insight can also not be given to them according to the wise judgement of the creator, but you men can yourselves imagine the most horrible situation but will still never be able to hit upon the right extent. That is why you are to give your love to the deceased, and supply them with your love which you can give to them when it is your will. Only love is able to alleviate all suffering, in heaven and on earth, and be in the habit of it and never tire because only love can bring redemption in heaven and on earth. Amen.

### **Prayers for souls in the beyond which had not acquired love on earth...**

An unredeemed soul's path of suffering is impossible to describe to people, and yet they should know that it must endure an inconceivably hopeless state because this knowledge is intended to impel people into helpfully supporting such souls, hence they are constantly admonished not to forget these souls. They will thank those people a thousand fold who ease their agony by praying for them. Souls in the beyond which leave people behind on earth with whom they were lovingly connected have an advantage compared to those which did not acquire love for themselves on earth. Loving thoughts and devout wishes follow the former, or such souls receive strength through heartfelt prayer, which can substantially improve their situation. Every loving thought is soothingly experienced by the souls and awakens love again, which then will manifest itself towards equally suffering souls. However, souls which lived without love on earth must starve and suffer unspeakably. They are quickly forgotten or they are only thought of unkindly, and this has appalling consequences on their state in the beyond. Every kind thought of people on earth for the souls in the beyond alleviates their torments, every bad thought increases them and the souls themselves are unable to defend themselves or enforce people's love for them.

Now the soul is perceptively affected by love or heartlessness which either ease or impede its struggle towards ascent. Souls which entirely lack people's love on earth have to completely depend on themselves in utterly dark surroundings and suffer indescribable hardship. These souls should be particularly considered on earth in prayer so that they, too, feel the blessing of intercession, so that they feel the strength of love within themselves and thus an inner change takes place. For as soon as a loving thought fleetingly touches such lonely souls they notice it and turn towards the place of origin of this thought, they come close to the person who mercifully thought of them and observe him and his characteristics, his actions and his train of thought. They will never harass a person who is good to them either, although they themselves are rarely capable of good feelings. Yet they dwell on the reason why their state of suffering eases when they are close to these people and they sense noticeable relief through the prayer on behalf of the struggling souls in darkness. And they learn to recognise that love is the only means for improving their situation. And once the soul has gained this realisation then it will also become gentle and helpful towards other souls and they will have escaped the bitterest hardship. People on earth would be able to redeem infinitely many souls from their hardship if they tried to imagine the helplessness of these souls. For if they feel a spark of love within themselves their great suffering should move them and arouse their will to help these souls. People should include these poor souls which lack the strength to help themselves in their prayer, they should call upon God for grace and mercy for these souls, they shall give them their love and never think heartlessly of a deceased person so as not to increase his pain. For then the soul will be in great danger of becoming completely hard and every good inclination in it dying.... But the souls should be redeemed and people on earth can contribute an awful lot towards achieving it....

Amen

### **Needy souls...Remorse...Loving help...**

When you humans have concluded your earthly life and entered the spiritual realm, the time of your earthly life will appear like a mere moment as soon as the memory of the infinitely long time before your embodiment as a human being is returned to you. And then you will also understand that the last stage of your soul's development has been an great mercy, and anyone who has used it and achieved admission into the spiritual realm, anyone who need not reproach himself for having allowed the graces of earthly life pass him by, is blessed. The remorse in the beyond is all the more painful when the soul realises that it is no longer able to put right what it had avoided or neglected on earth, when the soul becomes aware of the inconceivable suffering of the infinitely long earthly path and how easy the short life as a human being had been in comparison, which it did not value correctly .... The soul's regret of a wrongly lived earthly life is so agonising and depressing that this in itself causes the soul to do penance and worsens its painful situation; yet physical life with its many opportunities to mature is over now and the soul has to accept the consequences of its earthly way of life. It has to continue its process of development in the beyond but with far more difficulties than on earth as long as it is not allowed to enter the realm of light.

You humans do not know the distress of such a soul in darkness and the merciful love it requires to receive help. You all should have compassion on such souls, you should think of them with love or they can never be redeemed because they are too weak without help, because only love will give them strength and the souls hope and ask for this love from people .... since the spirits of light can only help these souls when they are willing to help other souls. But in order to awaken this willingness to help their will has to be strengthened, and only the strength given to them by people's love on earth can achieve that. Lost souls, i.e. those who have not used their earthly life correctly or who lived entirely without spiritual aspiration on earth are in greatest need because they have no strength whatsoever and entirely depleted willpower. To help these souls is one of the greatest works of love which the human being can perform. He should constantly pray for such souls, he should mentally inform them that they ought to act with kindness even in the beyond, time and again he should urge them to love, he should mentally communicate with them and with his love give them strength, which is comforting to the soul as it alleviates its state of suffering. And the souls will be eternally grateful to people whose loving help will release them from their agonising situation as soon as they can take part in the redemption work themselves, as soon as they can reduce the suffering of other souls by bringing them spiritual knowledge which, however, they first have to acquire themselves.

Due to their will to help their greatest need is remedied and their remorse will lessen at the same rate as their willingness to help grows. For then the soul understands that it is needed in the spiritual realm and in its enthusiasm forgets its own suffering .... It strives to gather spiritual values in order to share them again; it has created for itself a new sphere of activity and tries to make up for what it had neglected to do on earth .... to give love .... And now it can continue its process of development in the spiritual realm, thanks to the help of people's loving thoughts on earth for which it will be eternally grateful ....

Amen

### **Intercession for poor souls**

The night of death embraces all souls, which are far from God at their decease through a loveless walk of life, through their belonging to the opponent of God and are therefore of complete wrong will. These lose their life power with bodily death and are now completely powerless and lightless left to be the victim of the powers of darkness, which try to draw them deeper and deeper in the spiritual kingdom, i.e., their will will always be more and more subservient to evil, and it can also develop power downwards because this is sent to it from below. But to let the will become active in the right direction they lack power. And therefore these souls would be hopelessly lost when loving beings do not show mercy to them – men on earth who think of them in quiet intercession and impart power to them through a prayer sent in love, which directs their will to good, or also light beings who again and again come near these powerless souls and seek to move them to a change of their will. But only then can power be sent to them from those light beings when they themselves are willing to use this power for work in love. So the will of these souls must first really change, and intercession of men on earth helps to get that. Because the soul is powerless and is not able to change the will by itself. When power is not imparted to it by intercession then it is left to be a victim of the powers of darkness, and the ascent up, the coming off out of the dark power is unspeakable difficult and requires a long time. Because the soul is in deepest ignorance, and that is why it also has no will of its own to change its situation in the hereafter. The prayer for the erring souls in the hereafter is so extremely important when these souls are to get help, and men are to use every opportunity for these poor souls because men still have power at their disposal, which the souls suffering deprivation in the spiritual kingdom lack. It is an act of neighbourly love, which cannot be evaluated highly enough when men help the souls in their greatest misery, in their helplessness, because they are at the mercy of the evil powers without power and without light. Every prayer for them extracts them from those powers, and as soon as the soul has felt the favour of a prayer given to it in love, it is grateful for all assistance, and it also uses the power of the prayer the right way. It turns the will away from evil; it has feelings for the suffering of the other souls and it starts to feel love itself the more love is given to it through prayer of men. Because a loving prayer melts the hardest cover and that is why not enough love can be given to the souls, which have departed in dark spirit night from earth life and remain in complete powerlessness in the hereafter until their fate is lightened through intercession. Then also the effort of light beings is successful, which impart power to them as soon as the soul is ready to use this power for work in love. Because then its will is in the right direction; it strives up, and this will is now also taken into account. But the intercession of men on earth is for the present necessary that the completely broken will may arise and does not become active in the wrong direction. But the power of love brings about a change of will. And then the soul is rescued because it starts its slow ascent; it has escaped the powers of darkness because love is stronger and a loving prayer can snatch the soul from darkness.

Amen

### **Strength of intercession...**

You should give the strength of intercession to all those who have departed from you, irrespective of the degree of maturity you may think they have, for they all still need strength and are grateful for any help. It is a happy feeling to have helped souls to ascend, which you will only fully realise when you have entered the kingdom of the beyond yourselves and see the hardship of many souls who are not remembered in prayer, because no one on earth will remember them lovingly and provide them with the necessary strength in order to ascend. Once these souls have experienced the strength of love they will work with immense enthusiasm and use this strength, but the first impulse has to be given to them by people's loving intercession, because this is what will affect them first and change the direction of their thoughts.

But this intercession has to be rendered consciously, i.e. with the intention of helping the souls to advance. You humans should know that your prayers are valuable, you should familiarise yourselves with the suffering of departed souls and with a loving heart pray for a gift of strength for these souls. They will surely experience this gift of strength and also gratefully feel the love intended for them which will cause them to love in turn, which will thus affect their environment like a small light that benefits all souls. You humans could do so inexpressibly much to release the souls if you have the will to alleviate hardship and suffering .... For this will motivates you to pray from the bottom of your heart, and only this comprises redeeming strength. You should do everything consciously, external formalities or lip-prayers have no effect, because they exclude the conscious will to help. Only love is liberating .... this has to be said time and again.

You can achieve inconceivably much with love, you can send bright light into the darkness through loving intercession, so that many souls will gather there and be touched by this ray of light, always with the result that their feeling of love will also be awakened and will want to express itself. Loving intercession is a tremendous flow of strength the effect of which will never fail. Include all your loved ones in your prayer, mentally call them to you and tell them that you want to help them and that they should accept your help quietly and without objection; mentally instruct them that they, too, will be able to ascend if they want to use the strength they receive through your intercession. And always point them to Jesus Christ .... Only One can redeem them, and this One can only be reached through love. Therefore inform them that they should use their imparted strength to help other souls in turn who also suffer great hardship, that these deeds of love will bring them ever closer to Jesus Christ Who, with utmost mercy, will then draw all souls to Himself and guide them into the kingdom of light ....

Once you have helped a soul to use its given strength correctly its progress will be assured, then the weakness of will and lack of strength will disappear and it will eagerly ascend and take untold souls along, for it then will also share its knowledge with them, and thus a single correct intercession will result in unforeseen blessings .... You humans on earth should not underestimate the strength of intercession, but always remember that it should be made with a loving heart in order to truly give strength .... And include all your loved ones, for they all are still in need of strength and will thank you forever if you increase their strength and remember them with love ....

Amen

### **Redeeming help for souls in the beyond through people...**

Untold souls in the beyond struggle to ascend, and these souls suffer utmost hardship, for their lack of strength makes their ascent impossible, and their realisation of weakness is immensely agonising for them since they don't know how to remedy their situation. This very lack of knowledge is their calamity, since due to the law of eternity they may only be given what they want, and they receive in accordance with their will. If they want light, then they will receive it, yet without having experienced the benefit of light they have no desire for it either. Their agony rests in the fact that they are in a constant state of suffering and no longer able to muster the will to change it, if they don't use their will to revolt against God and their fate and cruelly rampage through their environment. These souls are already in a state of hell, because they are constantly goaded by the forces of hell and their change and endeavour to ascend still requires an incredibly long time. Even the souls which have lapsed into lethargy could equally have to endure their painful fate for an extremely long time unless they receive help from one side, since due to their weak will they are unable to help themselves.

And this help can only be given to them by beings whose love wants to release them from the darkness .... by people on earth or by beings in the beyond who are either already enlightened or just possess a slightly higher degree of knowledge which enables them to help. Thus countless souls experience this hardship and people should take pity on them .... but especially people will rarely help those souls, because people no longer believe in the soul's continuation of life after death .... People could have a vast sphere of activity on the spiritual level if they supported the suffering souls in the beyond and helped them to ascend from the abyss, and helping these souls in the beyond would in turn have an effect on people again when they suffer physical and psychological distress .... Yet people very rarely take part in this redeeming work, they even leave their loved ones in the beyond in great suffering, who should be particularly taken care of by them .... This is why it is welcomed with great joy when people gather on earth who have the will to do redeeming work and want to kindle a light for many souls in darkness.

For this reason beings of light also play a redeeming part in as much as they likewise appear where unhappy souls in the beyond are remembered with loving thoughts, and their help is evident because they protectively surround the people on earth when the crowd of dark spiritual beings threatens to endanger the work of redemption. The souls in the beyond as well as the people on earth have their guardian angels who, depending on the will of the former, will intervene when danger is imminent. And the enemy will always lurk where people want to do redeeming work and try to confuse those who should offer enlightenment to the souls in darkness. Yet he will not be able to prevent the rays of light, which emerge from the redeeming love, from touching the souls of darkness, who feel their benefit and appear wherever people gather with the will to help them, and this work will be blessed .... For once a soul has been touched by a ray of light and love, it will never descend again, it will look for the light and also find it, because every soul will receive what it desires ....

Amen

### **Help for poor souls...Love redeems...**

Everything that helps the souls to ascend will be appreciated in the spiritual kingdom. The love given to the still immature spirit is the only means of redemption as long as it is unable to lift itself up, i.e. as long as it is still unable to be lovingly active itself, since it is without strength. Everything that will strengthen these beings has My blessing because it complies with the principle of love. The love people demonstrate to immature souls somehow or other has to have a redeeming effect, be it on earth or in the beyond, for no spark of love is without strength, and thus all deeds of love always result in a supply of strength. You humans on earth can therefore help greatly if you are motivated by love to consider the poor souls in the beyond who are completely without strength and therefore dependent on help. And everything you do to strengthen them, everything you do to release them, will be pleasing to Me and never be in vain.

So little love can be found amongst people on earth already, and they consider the souls in the beyond even less, since they do not believe in life after death. And this unbelief also has bitter repercussions on the souls in the beyond, who languish unredeemed and without strength in dark surroundings and are unable to help themselves. Every kind thought, every loving wish for their well-being alleviates their torment and will be gratefully felt by them. Yet especially the souls who languish in darkness are rarely thought of kindly and lovingly, and thus they remain in utmost hardship. Thus you can understand that people who want to help them are surrounded by untold souls who all would like to make their presence known in order to be helped. All you humans are surrounded by such souls, yet only few of you will listen to them, only few of you have the willingness to help and the faith that you can help through prayer and loving thoughts .... Yet countless souls cannot find anyone to pray for them on earth and therefore also try to approach circles where currents of strength manifest themselves. These souls, too, appeal for your help .... Grant their request, do everything that love inspires you to do and know that My blessing rests upon you as long as you are only motivated by love to help them.

You should only want to help, then you can loosen many chains, then you can free the tormented souls by initially giving them strength, which they will then use themselves by following your example, so that they too will want to help as you have helped them. Never forget that they depend on your help, even if My grace and mercy will not condemn any being forever; but first their hardened hearts have to be touched by a ray of love before they seize My gifts of grace .... And I Myself will guide these souls to you, who just need an incentive to start their path of development in the beyond. Yet without loving help they will continue to languish in the same state for an infinitely long time and cannot find the path of ascent. Pray for them and don't forget them, for their suffering as a result of their unbelief and unkindness is immeasurable; but if you want to help them I will always be willing to lift them with My grace and mercy from the night of death into life, for then I will not be able to resist the love you give to those unhappy souls in the beyond and I will forgive their guilt for the sake of your love ....

Amen

### **Change of will through intercession...**

The realm of darkness holds its souls imprisoned because it doesn't require much strength to keep these souls tied up since, due to their weak will, they don't offer resistance .... However, this resolve can receive strength through intercession. You humans must realise that a loving prayer on behalf of these captured souls can be infinitely successful, they thereby begin to feel the arising desire to become free from Satan's chains. Often this desire only emerges in them for moments which, however, become increasingly longer the more often these souls are thought of in loving intercession. Then it is as if they awoke from a deep sleep, they become active and look for an opportunity to escape from their chains, for they experience the darkness as a constraint and desire light. Once this change has occurred as a result of loving prayers these souls will be willing to seek, and the tiniest ray of light will let them rush to its point of origin. They will start to come to life .... Even so, the prince of the nether world won't let them go that easily .... Therefore light and darkness will alternate in the beginning, from time to time they will come to realise their state and then wander about again in complete ignorance. For this reason these souls must be treated with kind-hearted patience, time and again they must receive an influx of strength through prayers, they must be called through loving thoughts and thus, time and again, be pulled out of their dark sphere, they must receive mental explanations and references to Jesus Christ, their Redeemer, so that they will turn to Him themselves and appeal to Him for help and mercy. Although the souls in the darkness are difficult to instruct and often obstinate, they nevertheless feel the benefit of a loving prayer and this also gradually softens their hardened heart, that is, through loving intercession a person can wrest such souls from the darkness and he will always be successful if he does not stop with his will to help, which also improves the soul's will. Evil souls often fight each other in the kingdom of the beyond, yet no dark soul will ever cause harm to a person who prays for them. A person's love will pacify even the most agitated soul, just as, in contrast, it revives and stimulates the weakest soul into improving its state. Loving intercession by people on earth is an immense redemption factor which is recognised far too little by people. Whenever these unfortunate souls are remembered, their desire for light arises and that always signifies a change of the souls' will, which is subsequently taken into account. The soul itself must want to be redeemed, and this resolve often arises as a result of a person's loving intercession .... Hence, love can still be practised even beyond death; souls can still be rescued from the darkness, for the strength of love can achieve anything ....

### **Consequences of unkindness in the beyond...**

Unkindness has far-reaching consequences on earth as well as in the beyond. For it surrounds the soul with the densest of covers, so that no ray of light can penetrate it and it forever remains in darkness. Light is everywhere, yet where it cannot penetrate the human soul there is darkness. Love, however, radiates light and illuminates the soul from within, the covers dissolve, and then the light from outside can exert an effect .... the soul becomes enlightened .... Thus, on earth 'enlightenment' denotes knowledge of the eternal truth, of the meaning and purpose of earthly life and ever-increasing love for God .... But in the kingdom of the beyond receiving light is guaranteed to the soul who became enlightened on earth through love .... Darkness has gone forever, everything is revealed to the soul, no uncertainty exists for the soul any longer, nothing is incomprehensible or impossible, for due to love it has become full of light and strength itself ....

Hence, unkindness is the soul's eternal ruin, for a soul who still languishes in profound darkness is wretched. It has become a victim of the one who is devoid of love himself and also wants to prepare this state for souls who allow themselves to be influenced by him, who are full of selfish love and only ever treat their fellow human beings unkindly, because they are seduced by Satan, because he wants to transfer his own feelings into people in order to enslave them. Unkindness is the death of the soul .... it poisons people's thoughts, so that the results of thinking are lies and ill-will which generate acts of hatred and, in turn, will result in evilness again. And neither can it be otherwise, for where there is love there is God (*1 John 4:8, 16*).... where unkindness and hatred reveal themselves there is Satan. And he reigns, so that he can truly be recognised as the souls' greatest enemy, who not only pursues and tries to gain people on earth, but with increased malice works on and tries to influence the souls in the beyond in order to hasten the hardening of their hearts and pull them ever deeper into the abyss.

And because heartlessness has such a frightening effect in the beyond it can only be countered with love .... souls in the beyond need to be given lots of love, which effects the ailing soul like medicine by which it can be healed if people do not stop giving them love .... Even the most stubborn souls of darkness can be changed by rays of love, unwillingly at first, yet once they feel the blissful relief they will not let go of it again .... Love is the most effective weapon against the opponent who cannot endure it, who takes flight and therefore will rather drop his victims than allow himself to be touched by rays of love. For this reason you should fight against unkindness and know that it will lead into ruin, whereas deeds of love will open the kingdom of light for you, and with love you can also help those to attain the light who still languish in darkness as a result of their loveless and unkind way of life on earth. Only love can help them and release their restraints, only love can make all of you blissfully happy ....

Amen

**God's word is felt as a flow of strength by the souls in the beyond...**

Through contact with the spiritual kingdom a steady flow of strength is set into motion, and this flow of strength is effective wherever the same striving towards ascent is noticeable; but the effect of the strength is also recognisable where the human being is not striving consciously but is not offering any resistance either, for he begins to open himself, he takes notice and observes everything that might relate to the spiritual kingdom in order to form his own opinion. You, My servants on earth, should believe that you do not go past your fellow human beings without being noticed .... believe, that your actions and work find attention and that this is already the effect of the emission of strength generated by you, only that this effect, having a spiritual cause, can only be spiritually observed. It will express itself in your fellow human beings' thoughts, which are not obvious to you but can cause a person's inner change. And if people on earth won't derive a benefit from the flow of strength, then the souls in the beyond will, since no thought is hidden from them as soon as they want to learn from you, who follow the path in accordance with My will.

Every influx of strength through prayer or loving actions, through conveying My Word on earth or through reading this Word aloud, is visible to these souls as a ray of light and experienced by them as a blessing if they are willing to accept it. And therefore you are always surrounded by souls which want to draw strength from you. Indeed, your fellow human beings would also be able to derive an abundance of strength from you if they would listen to you and partake of My Word's grace of strength, yet their will is not altogether interested in obtaining spiritual wealth because they are still paying too much attention to the world; whereas only what you offer to the souls in the beyond is felt by them as strength, as blissful relief, since the flow of strength conveyed to them by the beings of light will only be recognised as strength when they have gained their first realisation .... when they, due to your help, have found the gate from the realm of darkness or twilight into the light. They are still too near to earth and thus can be easier educated from earth than by the beings of light.

These are already behind them as helpers and make it easy for them to understand what they are offered by you. But they are at all times within the cycle of My divine strength, they are always affected by the strength of My love and feel its effect, I Am just not able to influence them directly as long as they are still in opposition to Me, as long as they are still in the area of darkness from where you, however, can release them through loving instructions, through intercession and mental influence. All kind thoughts have the effect of strength, on earth as well as in the spiritual kingdom. And therefore you should only send your fellow human beings good thoughts, and you will also give them the strength that can help them to change their attitude .... for all good thoughts, intentions and actions have a redeeming effect, since it is strength, which will never remain ineffective ....

Amen

### **Redeeming work for souls in the beyond in God's will...**

Put your trust in My Words and only believe that My love is watching over you and that I Am protecting you from all onslaughts by My adversary if you take refuge with Me during earthly and spiritual difficulties .... Your will also assures you My help and My protection. I only appraise your will, and according to this will you are either in My hands or in the hands of My adversary. If your will is directed towards Me and you desire to please Me you can also consider yourselves looked after by Me .... But if you want the world and its possessions then your will belongs to My adversary and then he has also control over you which he, however, would never be able to have if you strive towards Me, if you look for and pray to Me in spirit and in truth.

Your faith is still weak, yet it will get stronger if you always just make the effort to live a life of love, and you will become increasingly more certain of the fact that My Fatherly love applies to all who are still unredeemed on earth and also pass away or have passed away unredeemed from this earth. All these souls suffer immense hardship and My love does not want to leave them in this adversity forever. And thus I create countless possibilities for them to escape their hardship but without determining their free will .... Nevertheless, I know every individual person's will and that of every soul in the beyond. I know when they are ready to take the path to Me, and I let you humans participate in the redemption work, since there is a tremendous amount of work to be done and every individual soul should be offered the opportunity to give up its resistance and turn towards eternal salvation.

Consider the immense number of souls which are still distant from Me, which have no faith and whom I therefore cannot approach because they don't believe in Me .... I constantly endeavour to provide these souls with the possibilities to come to Me by indirect means as well, and you humans can assist Me in this by taking care of these souls, by informing them of Me, because they are more likely to listen to you, providing they are at all willing to change their adverse situation. On the one side a regrettable lack of faith is evident, on the other side, however, a comprehensive work of salvation is taking place on the souls in the spiritual kingdom, because this work of salvation is mainly unsuccessful on earth. My adversary has great power over people on earth because they are too involved with matter and he tempts them with material goods. Many a soul in the beyond recognises the worthlessness of what it had pursued on earth because it experiences utmost poverty and darkness, and for that reason they can be easier won over, if only their faith can be awakened in them ....

And I truly have many ways which I implement and which are hardly ever unsuccessful. The situation of these souls in the beyond cannot be described to you exactly, there will always remain a layer which prevents your view into the kingdom of the beyond .... Yet you can believe that I look after all souls and for their deliverance also involve you humans if a greater possibility for success is thereby assured. Anyone who wants to be of service to Me can certainly to so, and I will place him where his work will be successful .... But you must always believe in My greater than great love and mercy .... Then you will also understand everything and you will no longer doubt the task which I give you .... Then you will gladly be of service to Me and also be convinced that your work is beneficial .... you participate in the redemption of countless souls from adversity and pain .... you show them the way to light and beatitude ....

Amen

### **Helplessness in the beyond...Law...**

If the soul does not receive strength it will remain inactive. This condition of inertia can only be remedied by actions of love which the soul is unwilling to do when it finds itself in this helpless state in the beyond. However, on earth this willingness can be stimulated by the Word of God. The human being can be shown that deeds of love are a blessing to him, and then he can take God's Word to heart, he can reflect on it and voluntarily decide to act kindly, because on earth he does not lack the strength to do what he wants to do. Then the soul will receive spiritual strength and further its development. But it is different in the beyond where the helpless soul can do nothing else but want .... And whether or not the being will receive strength depends on this will. Thus the soul in the beyond is reliant on the help of more mature beings, whereas the human being on earth can use his will without help from spiritual beings. Therefore the human being should not remain indifferent if he does not reach his goal on earth in the mistaken belief that he can make up his neglect of earthly development in the beyond. This is a deceptive hope which he shall bitterly regret one day, albeit the state in the beyond is not entirely hopeless. The soul has to endure appalling distress which it can easily avoid by seriously striving to ascend while it is still on earth. The state of helplessness is something terribly dismal, it is a state which the soul cannot remedy at will, rather, it is dependent on the love of other beings. And this love, which corresponds to its own love towards other suffering souls, is at times difficult to perceive by the soul.

Thus an uncaring soul can spend eternities in its helpless state without being approached by a caring being if it holds on to its selfish love, if it merely cares about itself and its fate without compassion for another soul's fate. According to divine law it cannot receive what it is unwilling to give to other souls, and its selfish love prevents the approach of beings of light to bring relief. And since it is unwilling to give or to help itself it cannot be given anything or helped either. Worst of all, it cannot be given God's Word which could remove the soul's spiritual blindness since God's Word is light, and as a result of its unkindness the soul is still unable to accept light. On earth, however, the Word of God is even offered to unkind people, because this is God's mercy for the lost souls on earth who may accept or reject it in line with their will .... Whereas the being in the beyond is only touched by God's mercy in as much as it is free to want and to stimulate loving thoughts within itself, after which it will receive strength too. Yet many a soul is so hardened that it cannot have loving thoughts, and then it is in an intolerable situation which it is unable to end by itself.

However, these souls are surrounded by fellow sufferers who could kindle their love, and thus they can improve their situation at any time if they allow themselves to love .... because even the least resolve to help their fellow sufferers will give them strength. As soon as they notice this influx of strength they become more helpful, and this helpfulness towards other souls results in inner happiness, and then they have overcome the helpless state, the state of complete inertia. From this point on they can also receive God's Word, i.e. the teaching beings of light can approach them and reveal God's laws and why they have to be fulfilled. The light beings' lessons then have to start so that the uninformed souls can receive light and strength, i.e. knowledge which they then can pass on with lovingly care to improve the fate of suffering souls. But such helpless souls might have to do without help for eternities, and this condition could be easily avoided if the human being would make the best of his opportunities on earth in order to enter the beyond with a maturity which will give him light and strength and enable him to be blissfully active in the spiritual realm ....

Amen

**Bringing the gospel to souls in the beyond...Love...**

Convey the Gospel to the souls in the beyond, remind them of My commandments of love which also have to be fulfilled in the kingdom of the beyond if the soul wants to ascend. Inform them of My will, which only ever requires them to turn to Me and which has to be heeded in order to be seized by My love .... What is applicable for earth also applies to the kingdom of the beyond .... the transformation of the being's will, which at first is opposing Me and therefore has to be changed, and that can only ever happen through love, for an unselfish act of love is the first step towards Me and gives the being strength. Helpless souls in the beyond lack love .... and you have to explain to them that they can only expect help if they are willing to give love to those who are as poor and as wretched as themselves. Without love their thinking is wrong and, just like on earth, they can be approached by beings instructing them wrongly, without being able to recognise the error ....

Only a helpful soul will recognise the truth, subsequently you first have to bring My commandments of love to the souls and draw their attention to the fact that they were only given so that people will establish the connection with Me by fulfilling these commandments of love .... since deeds of love will provide them with strength and always help them to ascend further. You can instruct the souls over and over again .... they will not believe or understand you if they are unwilling to love, and if you want to help them then you first and foremost will have to take care to motivate them into lovingly supporting other distressed souls which turn to them for help. Only this willingness to love will open their spiritual eyes and ears, and then they will be able to understand everything you present to them. My Gospel is just the teaching of love, for everything else will fall into place if this teaching of love is complied with. It is not enough only to convey knowledge to the soul in the beyond for it will not understand it as long it is unwilling to carry out works of love, which have to and can be carried out in the kingdom of the beyond just as on earth but which always necessitate the willingness to do so, otherwise the soul will be without strength.

As long as the soul is mentally only involved with itself and its sad fate there is no possibility to provide it with help or to convey strength .... It first has to look at its surroundings or .... if it is alone in a barren region, it has to remember people on earth whom it could have helped but neglected to do so .... It has to regret this and wish to make amends, in that case it will be joined by beings in serious need, and as soon as it is willing to help it will instantly receive the strength to accomplish its intentions. First love has to be kindled within itself, which can often take a very long time, but it is possible with loving support from a human being if he explains to the soul what it is lacking and tries to educate it, always being prompted by a loving will to help ....

Love achieves everything, love prevails over everything, love itself is the strength which helps the soul to salvation. As long as the soul only considers itself it can hardly be released from its unpleasant situation, but it can become tender and loving if it gets touched by small rays of light, because these are just sparks of love intended to touch and kindle its heart .... Every soul which experiences darkness as torment will be soothingly affected by such rays of light, and it stands a good chance that it will pursue the light .... that it thus will also be willing to take other souls to the light. And these souls should only ever be preached the love which found its culmination in Jesus Christ and His act of Salvation .... No other information is necessary for such souls at first, yet they have to know the reason for their hardship and also how to remedy it .... And only when they have this understanding will their progress be assured, only when they want to carry out loving actions themselves will they receive strength and be able to work with love in order to receive ever more strength and enter into increasing brighter light.

Light makes the souls tremendously happy, and in this happiness their willingness to love will constantly grow, hence a single soul in the beyond is able to carry out a most extensive amount of redemption work. For as soon as it understands, it will also impart its realisation to other souls and try to encourage them to the same loving endeavour

.....

For just as on earth there is only one applicable commandment in the spiritual kingdom: Love God above all else and your neighbour as yourself ....Amen

### **Directing the souls in the beyond to Jesus Christ..**

People who deem themselves too superior to call upon God for help are furthest away from God.... they are neither able to believe in a helpful and omnipotent Power nor look at prayer as a bridge which leads to the divine Deity.... who therefore will not establish a connection either and are thus totally on their own if they are faced by difficulties which earthly help cannot resolve. For if a person cannot find the path to God in this adversity he demonstrates that he still remains in blatant opposition to God, that earthly life has not yet gained him higher development, that he therefore is still in a very poor state if he has to give up his earthly life. He has not yet made a conscious effort in order to attain a higher level. And since he does not appeal for it in prayer he also lacks the strength to do so. And yet, even these people ought to sense the blessing of prayer, for they will be able to discover a perceptible softening of their nature as soon as a fellow human being prays on their behalf. Intercession can achieve very much and most of humanity could be redeemed by now if one would appeal to God for love and grace on behalf of the other. Then the wilful rejection would not be so immense anymore, for God grants every prayer which reveals unselfish neighbourly love if the gift of realisation for a fellow human being is being appealed for. God's infinite love is instantly willing to fulfil such a prayer because it testifies to love for another person. However, the distance to God is only reduced through love, and if the being itself fails it can still be helped on earth and shown the right path through intercession.

The further away a person is from the eternal Deity the more inconceivable the thought of help is to him. And therefore he will not turn to God in prayer either. But since a change of thinking can only be achieved through heartfelt prayer, a person should not miss any opportunity to sincerely pray for his fellow human being who is still of weak faith. The power of prayer is tremendous and a person can achieve anything with a devout prayer, and it especially affects spiritual states, that is, the person will relinquish his resistance regarding all spiritual matters, he will become reflective and think about what he previously adamantly rejected and will then arrive at a different result than before. A person who prays on behalf of his fellow human being for spiritual enlightenment has extraordinary influence over the latter which demonstrates itself by the fact that he is willing to listen to what is imparted to him, even if at first he was opposed to it, that he thinks about it and, if he later remembers it, that he will gladly and happily accept it. And thereby the distance to God will be diminished. Heartfelt prayer results in immense strength and must therefore take effect on his fellow human being as soon as this prayer is applied to him. This is why people who are distant from God are not hopelessly lost, for as soon as someone can be found who recognises their great spiritual hardship and would like to release them from it he has an effective means at his disposal.... the intimate intercession with God, which is very beneficially felt by the previously incorrigible person so that he cannot ignore this love. And he will be guided onto the right path and still attain realisation, if only after a very long time; but he is not hopelessly left at the mercy of the enemy, instead the beings struggling for good will remain victorious and help redeem the person from the state of being far away from God....

Amen

### **The souls' redemption from the abyss through Jesus Christ...Beyond...**

The cross of Christ is the sign of hope for all who have fallen, who are unhappy in their situation, be it on earth or in the kingdom of the beyond. The cross of Christ will show them that there is still salvation, a way out, which only has to be taken in order to surface from the abyss, from the kingdom of darkness, into the dawning morning. The cross of Christ points to the path of ascent which will never lead astray. For the One Who died on the cross due to His love for sinful humanity initiated this path, He paid the purchase price for the existing souls in the abyss, and every soul can utilise this privilege, the path of ascent is now open to every soul providing it has chosen Jesus Christ, the divine Redeemer, as its goal, providing it wants to leave the abyss in order to reach Him. Then it will be entitled to redemption, then the divine Redeemer Himself will lift it from the abyss, then its sins will be washed away by His blood, the guilt of sin will be cancelled and the act of Salvation will not have been made in vain for this soul. Jesus Christ died for all human beings, for people past, present and future ....

He descended into hell (*1 Peter 3:19, Booklet no. 30*) .... He also made the blessings of the act of Salvation available to the souls in the abyss, and there is salvation for the souls even in the kingdom of the beyond, yet never without Him, for only the blood He had shed for the sins can pay for the sins of a soul, and His forgiveness has to be consciously requested, He also has to be acknowledged as the 'Redeemer of sin' in the spiritual realm, or a deliverance from darkness will be impossible. An inconceivable act of love was accomplished by the man Jesus on earth, and this act of love is also effective in the beyond, His mercy even follows the souls who had passed away from earth without redemption. Yet, like on earth, the soul must willingly want to find salvation through Jesus Christ in the beyond too, that He should have mercy upon its suffering, that His love should seize it and raise it from the abyss. For this reason, the knowledge of Jesus Christ and His act of Salvation as well as the belief in both is vitally important and has to be conveyed to the souls, if they have not gained it on earth already. But this work is far more difficult than on earth, for the souls of darkness have little knowledge and power of perception and are therefore not easily taught.

Nevertheless, their state is not hopeless when they are in distress and appeal for help to be delivered from their present situation. Then they will not be completely obstinate, and knowledge can be conveyed to them through intercession and loving mental instructions which will enable them to direct their thoughts towards Jesus Christ, the divine Saviour, and call upon Him themselves .... And every call in faith and confidence in His help will be heard .... Then the path of ascent will have begun and will be travelled step by step with His help. There is salvation from the abyss, but never without Jesus Christ .... This is what the souls in the beyond also need to know, otherwise they would never turn their thoughts towards Him, Who alone can save them from their hardship, Who, with love and mercy, is constantly willing to alleviate suffering and change an agonising state of affairs into a state of beatitude .... Nevertheless, it always requires the being's will, and to change this correctly requires a lot of intercession on the part of people with faith and love, who are therefore also able to help those who are still unredeemed ....

Amen

### **Calling upon Jesus Christ from the darkness...**

It is not My will that shall determine your fate in eternity, but rather you yourselves, through your will, shall make it either glorious or dreadful; but you can change an appalling situation and, if you want to do this, will always receive My support. And regardless of how dark you are, light will be made accessible to you, and if you desire light then you will always be able to remain therein, you won't have to return to the darkness, for your will shall always be complied with even in the spiritual kingdom. Don't reject those who want to make you happy by giving you light. You will feel better than in the dark regions from which everything shall ascend to the light one day, although it has to happen voluntarily .... All of you who dwell in dark regions, be they on earth or in the kingdom of the beyond, are unhappy living creations without peace, without light and without strength ....

These are the effects of sin with which you have been burdened for eternity and which you have even increased during your earthly life as a result of your heartless way of living .... As long as you are not released from this guilt of sin your state cannot improve either. But you can want to have the guilt taken from you so that you can arrive at light and blissfulness. First decide to become free from a restraint which burdens and tortures you .... Resolve to entrust yourselves to the One Who can set you free, and appeal to Him to help you. You all know of the One Who sacrificed Himself on the cross for the guilt of your sins .... You all know of Jesus Christ, but not all of you believe in Him and His act of Salvation. And yet He is the only One Who can help you in your distressing situation, Who can lift you up from the abyss, Who can and wants to grant you light and life .... but Whom you have to call upon yourselves and appeal for help. Anyone who does not believe in Him will not turn to Him either and will remain in darkness forever, since there is no other way to happiness without Him. But time and again you will be referred to the One, time and again a light will be offered to you, a gleam of hope, which you should heed. Turning your eyes to the gleam of light a cross will always shine for you, if you are not entirely obstinate, for in His great mercy He will come to meet you in order to save you .... But you may also rest assured that He will save you if only you want it yourselves ....

And thus I repeat that I do not condemn you, that it is not My will which has determined the fate which makes you feel unhappy, but rather you created it yourselves and you can also change it yourselves if you take refuge in the One Who can release you .... in Jesus Christ, with Whom I Myself have become as one, Who thus is your God and Father of eternity. Irrespective of whether you are still living on earth or whether you have had to shed your earthly cover already .... light will only be within and around you when you have found Jesus Christ .... but without Him you will be living in darkness, without Him you will also be distant from Me, Who had embodied Himself in the man Jesus Christ in order to die on your behalf on the cross for the atonement of your guilt of sin .... Only when a person hands his guilt over to Me with complete faith will he get released from it, and that is entirely up to your own will .... My love cannot do anymore but to keep sending you bearers of light proclaiming My will, who will also kindle a light in you .... Allow yourselves to become illuminated, change and come to Me in Jesus Christ .... and the darkness will recede, bright light will appear and all torments of darkness will fall away from you, you will be able to rise into spheres of light and be and forever remain blissfully happy ....

Amen

### **Overcoming the gulf in the beyond: Jesus Christ...**

A vast gulf still exists in the spiritual world between those who kept their distance from Me during their life on earth and those who had already found Me and were able to enter the spiritual kingdom in a garment of light. They can certainly see the former and ascertain their miserable state, but the former are staying in a realm where they can see nothing else but themselves or like-minded spiritual beings whose constant discord and dispute among each other poisons their existence and prevents them from feeling any kind of happiness. Nor will these souls ever be able to see their loved ones again if these have already departed with a higher degree of maturity; instead, they must first reach a certain degree before a blissful reunion can happen .... Hence, such souls inhabit two worlds, although all souls enter the spiritual kingdom after their body's death .... They are two worlds which are very distant from each other, which is not to be understood spatially but merely relates to the nature of each individual world .... A vast gulf exists, and yet, this gulf must be bridged sooner or later. Time and again beings from the kingdom of light must descend unrecognised and try to do their redemptive work on the souls by attempting to persuade them to detach themselves from their environment and to follow the beings of light, which then will aim to lead them ever closer to their own region .... that is, they must inform the souls in darkness of the divine Redeemer Jesus Christ and His immense act of mercy which was accomplished for these souls should they want My mercy for themselves. Only then will the gulf diminish between them and Me, between the kingdom of darkness and the kingdom of light .... Only then will the souls take the path which leads out of the abyss into higher spheres, and only then will the blessings of the act of Salvation take effect on them and gradually also result in a state of maturity where they themselves can and want to do redemptive work, because they want to repay their gratitude, which impels their willingness to help the wretched beings which still linger in the abyss.

The gulf must be overcome and there is only one bridge: Jesus Christ, the divine Redeemer .... Anyone who takes the path to Him also takes it to Me, even though he did not want to acknowledge Me on earth or was still vastly distanced from Me. He can only come back to Me by way of Jesus Christ, and He is therefore the bridge which leads from the dark region into the kingdom of light .... This should be remembered by all people who on earth certainly deem themselves to be in contact with Me and who nevertheless have not yet found the right attitude towards Jesus Christ, who only call themselves Christians by name and in reality have not established a heartfelt bond with Me in Jesus Christ, who therefore have not yet availed themselves of the blessings of the act of Salvation and so cannot speak of a redemption of their original sin either .... They, too, will face a deep gulf when they arrive in the beyond, for they will first have to seek and find Him, the divine Redeemer, so that He will release them from their guilt as well, for they only acknowledged Him with their mouth on Earth without involving their heart. But I look into the heart, and regardless of how loud and how often the mouth voices My name, I will not be deceived and cannot place the soul where it doesn't actually belong .... It will be confronted by a vast gulf when it passes into the spiritual kingdom .... in other words: It will see nothing else but what its earthly-inclined senses want it to believe, and it will only be to its advantage if it can detach itself quickly and does not resist the helpers' notions, so that it can quickly be introduced to the divine Redeemer as the only Saviour from its situation .... The connection must be made, the soul must take the path to Me by way of Jesus Christ and it will safely be guided by Him through the gate into the kingdom of light when it has bridged the vast gulf, when its will impels it to Jesus Christ and it desires and finds salvation through Him. Then it will also have taken the path to the Father .... I will receive it into My kingdom of light and blissful happiness ....

### **God's address to souls in the beyond...**

I want to speak to all those who want to hear Me, be it on earth or in the beyond, who should know that the Saviour came to earth for all people in order to redeem them. For none of you can become blissfully happy if you don't appeal to Me for forgiveness of your sin, and therefore you will first have to acknowledge Me as the Son of God, in Whom God Himself became a human being in order to accomplish this act of Salvation. You need to receive this knowledge while you are still on earth so that the gates to the kingdom of light can be opened for you .... If you enter the realm of the beyond still burdened by your guilt then you will need to learn over there why you should acknowledge Me in Jesus Christ, for without Him you will wander about in spiritual darkness, without Him you will be unable to see any light, without Him the gates to beatitude will remain closed for you. Compared to eternity your existence on earth is but short, and yet this time fully suffices for you to attain the light of realisation, nevertheless, you have to believe and the belief, in turn, depends on love, then you will easily gain the knowledge of why you must acknowledge Jesus Christ, you will learn to understand the reason and significance of His act of Salvation and then enter the kingdom of the beyond brightly enlightened .... Yet you humans lack love as well as faith with the result that only ever a few are able to enter the kingdom of light, whereas the gate remains closed to the others until they have recognised and accepted Him, until they turn to Him for the forgiveness of their sin, which is weighing them down and prevents them from ascending. Listen to Me, I Am bringing you the joyful good news that not one of you is lost as yet, but I must demand your faith in Me and My act of Salvation if you ever want to attain the feat of beholding the vision of God .... Listen to Me when I tell you that you once were created beings which fell away from Me but which shall return to Me again as long as you don't resist it, in which case My adversary will have no more power over you .... I came to earth in order to break his power .... and to pay the purchase price for your souls, since you once followed him of your own free will. My greater than great love defeated the adversary, and all of you shall derive the benefit from My act of Salvation .... But you yourselves must want to belong to those for whom I sacrificed My life on the cross, for I cannot redeem you against your will from his slavery, since he has the same right to you because you once followed him voluntarily.

However, you are able to release yourselves, and time and again I try to inform you of how very significant My act of Salvation is for all of you, that you have to believe in it and that you can release yourselves from the darkness in which you humans on earth as well as you souls in the beyond find yourselves in .... And you will become enlightened; just spend some time thinking about the greatest benefactor the earth has ever carried .... Consider Him and don't reject Him, for He alone can bring you deliverance, He alone takes your guilt of sin upon Himself if you appeal to Him for it .... Yet without Him you will never ever find redemption .... For even if My love for you never changes, it nevertheless cannot accept you in the kingdom of light and bliss if you are burdened by sin, because righteousness likewise belongs to perfection and this must first be satisfied in order to establish the law of eternal order again (*BD 5243*), in which every being has to exist if it wants to unite itself with Me again for eternity .... Therefore, ponder all these thought in your heart and let yourselves be taught and enlightened .... Don't walk past a source from which you can draw a refreshing drink .... Listen to what I want to say to all those who are not unwilling to pay attention, and desire more information .... and every question that moves you will be answered. Only do not reject Me, Who alone can bring you salvation, Who can change your present state into an exceedingly happy one if only you acknowledge Me Myself as the Redeemer of the world Who died for your sins too .... For I do not want you to remain wretched, it is not My will that you should suffer, I want to give you eternal life which you can never ever lose again .... However, I cannot revoke My law of eternal order, which requires you to acknowledge Me Myself in Jesus (*Colossians 1:19; 2:9, 1 John 5:20; Isaiah 9:6*), because your past sin consisted of the fact that you denied Me this acknowledgment(*choosing Lucifer, Booklet no. 15*), and that you must therefore completely voluntarily profess Me again, Who became a visible God for you in the human being Jesus (*John 14:8, 9; Isaiah 7:14*) .... and Who will remain so for all eternity ....

Amen

### **Desire for light in the beyond...Spiritual conversations...**

The desire for light in the beyond is very strong in those who have recognised that the degree of bliss depends on a certain extent of awareness which they, however, are lacking. These are beings which cannot be denied having possessed some integrity on earth, which had made an effort to do what is right and fair yet did not believe in a higher Power, in the continuation of the soul's life, in a spiritual kingdom. This unbelief also made them unreceptive for spiritual knowledge on earth, they lacked the will to believe. As a result they considered everything of a spiritual nature that was presented to them by believers as unreal and untrue. They lacked the will to learn something about it because of their unbelief, but also because earthly life appeared so extraordinarily important to them that they only worked and achieved for it .... In the kingdom of the beyond, however, they gradually begin to realise the reality of the spiritual realm and yet they are unable to clearly recognise their own existence and situation.

They don't know what is real and what is unreal, they see vague images which they don't understand, they are stimulated to think and yet cannot cope on their own .... And they long for light, for clarification and are grateful if it is given to them .... But their lack of faith makes it more difficult for the teachers in the spiritual kingdom to be believed, because everything seems unacceptable to them due to the attitude they had on earth. Nevertheless, they constantly strive for clarification, they want to know the truth and therefore it will also be conveyed to them. Thus they concede that the kingdom of the beyond is real, because the knowledge of earthly life had not been entirely taken away from them. They are already convinced of a life after death and this conviction impels them to untiringly look for what they are missing .... for light .... and they linger wherever the information can be given to them .... And yet they can only be given light once they are stimulated by love to work with it .... The reason why so many a soul is without light, without knowledge, for an indescribably long time despite its desire for it is due to the fact that it has no sympathy for equally suffering souls .... because it only wants light for selfish reasons and therefore it cannot be provided with it as yet.

But people who had endeavoured to be of service to their fellow human beings on earth, be it through inventions, advice or instructions will also want to do the same in the kingdom of the beyond and therefore can often be very quickly informed of the right knowledge, because then they will also want to be of service and be able to work for the benefit of uninformed souls. Yet knowledge will not be forcibly imparted to any being, it has to be sincerely desired and keenly sought after .... Then it will still be up to the soul to form its own opinion about the imparted light; but this will not fail to have the desired effect if the soul has the sincere will to use it correctly .... The teachings of people on earth can therefore result in great blessings if they always remember that numerous souls are present and take part during every spiritual conversation, that the instructions should therefore also be conducted in the spirit of love which affects these souls as well and removes all wilful rejection from them .... Anyone in possession of true spiritual knowledge shall also pass it on to all who are in need of it .... and often consider the souls in the beyond which are sometimes more willing to accept it than people on earth, who, in their illusive life, still would like to reject everything that relates to a life in the beyond. Good and bad conversations are echoed in the kingdom of the beyond .... Always remember this and constantly try to think and speak such that the souls in the beyond will be able to learn, that they will gladly listen to you and always derive a benefit for themselves, and you will always be surrounded by souls who also want to be of service to you, their strength permitting .... You can spread light in every way, and you will always find grateful students in the light-hungry souls of the beyond, and your work for the kingdom of God will be blessed ....

Amen

**Influence by the prince of lies on people's thinking...**

Generously distribute My gifts you receive in abundance through My love.... I give plenty to everyone who is willing to receive.... yet only in order that he will dispense it again to the needy who do not come to Me Myself in their adversity but whom I want to help through you. There is great hunger for spiritual nourishment, although you will find few people on earth longing for it; nevertheless, not the slightest morsel will be lost if you distribute the bread of heaven.... needy souls in the beyond will receive it with a ravenous appetite, and that shall encourage you to carry out your loving activity of soothing the spiritual adversity ever more eagerly, for since you receive much you can also give much.... If you knew how closely connected the spiritual realm and its inhabitants are with the Earth and you humans.... if you knew how many souls surround you, you would also look upon your every thought, word and action from the point of view that you are constantly observed by them and that you also have a certain responsibility towards these souls.... to be a good example for them and to thereby make it easier for them to progress, if they are still lingering in the lower spheres. And this particularly applies to your conversations which.... if they concern spiritual subjects.... can be tremendously beneficial for these souls. So if the contents of My Word is the subject of your conversation, you will attract many famished souls which will then be offered exquisite bread from heaven, you will provide them with the nourishing sustenance they are in dire need of in their still wretched state. No word bypasses the souls in the beyond unheeded and affects these souls far more deeply, because they share everything they receive.... for the strength of My Word has this effect, and thus My Word attracts endless attention and favourably affects countless souls. But the adversity in the spiritual realm is certainly endless as well, for every day souls arrive there in a sorry state because they are still far too attached to the material world, they did not acquire spiritual supplies on earth and thus arrive in the beyond poverty stricken and depend on help if they don't want to descend further.... You humans can help these souls by conveying My Word to them, which alone can protect them from falling into the abyss.... They look for help where a light is shining and also feel the strength flowing to them from My Word, because these souls cannot be saved by any other means than to accept My Gospel of love, which you should present to them wherever and whenever it is possible for you.... I distribute abundantly so that you can give to those who are in need.... so that you can give sustenance to the hungry whom your love wants to provide for....

Amen

**Happiness and gratitude of redeemed souls...**

With an exuberant feeling of gratitude I Am praised and glorified by souls which were delivered from their torment through loving intercession, which had realised that they, owing to their weak will, would have been incapable of liberating themselves, and which were able to strengthen their will through the merciful love of people on earth .... which then appealed to Me in Jesus Christ and were subsequently raised by Me from the abyss .... Hence they want to express their happiness, giving all their love to the One Who has delivered them and, never tiring of praising and thanking Him .... they want to do the same by also helping the unredeemed souls, which they know are still languishing in darkness, to attain the same bliss .... People's loving assistance on earth makes it easier for these souls if they can receive from people what they urgently need themselves in order to give it to the unhappy souls; they have to receive light themselves to be able to let the light shine, and they can always receive light when it is emanated by God into eternity ....

Wherever this light is received, wherever vessels open themselves into which the light of God's love can flow, there are places of light and strength which are surrounded by innumerable souls requesting light .... and every soul's degree of maturity, degree of love and degree of desire determines how much light will flow to each soul .... yet every soul seeks to raise this amount by constantly giving and passing it on ..... Once a soul has received light it cannot help itself but communicate with other souls, the light is illuminating strength which is used by the soul. Hence it is extremely significant when a soul from the abyss has found to the light, when it willingly accepted to be illuminated, for then it will receive a constant flow of light because it has totally surrendered its resistance as a result of the indescribable feeling of happiness caused by the emanation of light. And it will certainly pass the light on in order to make other souls happy too .... Light, however, is wisdom .... the realisation of truth ....

And this light is conveyed to them by My Word, which constantly comes forth from Me as emanation of love, which could affect all spiritual beings in eternity but which will only find a response where there is no resistance .... Beings with the highest maturity of soul are able to receive it directly, whereas weaker beings will have to accept it from them in turn, but My Word always signifies light .... And for that reason My Word will always generate happiness, but only in the beings which want light, which is also the reason why every person on earth proclaiming My Word is surrounded by beings wishing to receive light .... Yet only the pure Word will shine forth into the darkness .... And the pure Word will in turn be received from God Himself again .... I Myself convey it to earth in order to establish places of light everywhere, where souls can obtain what they need and what makes them happy .... It is irrelevant whether these places of light are established in the spiritual kingdom or on earth, for everywhere shines the same light, the eternal truth from Me .... But souls in the beyond will often visit a place of light on earth if they are still unable to find their way about in the spiritual kingdom and are staying in the vicinity of earth ....

However, precisely these souls are in the majority, and receiving My Word is often the only salvation for these souls, it represents extraordinary help for them which they believe they cannot reward gratefully enough and are therefore exceedingly active helpers in the spiritual kingdom .... who continually praise and glorify Me and create real uproar in the darker regions because they won't rest until they have persuaded all souls to follow them to where they shall also be touched by a ray of light .... Their redeeming activity has infinite consequences, for My Word is immensely powerful, which is beyond measure to you humans on earth, nevertheless, you should gather around the source I have opened for you, so that you will already be permeated by light when you enter the spiritual kingdom, when you have to leave earth, and then be able to share it again in order to constantly increase your own beatitude

....

**Beings in the beyond...Appeal for help...**

We salute you in the name of the Father and inform you according to His will .... All beings wishing to be in contact with you are gathered around you .... and thus the Lord in His kindness has decided to grant their desire as it is the Feast of Love .... The following beings are permitted to avail themselves of your strength and to speak through you. An old father, his spirit has already been with you for a long time .... appeals to you not to forget his son, who stayed in your vicinity but had to conclude his earthly course of life. He frequently comes to visit you and follows your striving .... and yet he cannot understand why he is unable to contact you .... During his time on earth he refused to be taught and never thought of the hour of death, so although he was recalled by the Lord, his spirit still constantly remains in the proximity of earth, he has still not gained any realisation about his task in the beyond. His father is concerned for him and appeals to you to pray for him. Grant him this wish .... And now someone comes to you who wanted to speak to you before and did not give you his name .... so many beings are present here, they are called to you on account of your thoughts; however, try to hand yourself over to us and only accept what we give you .... Keep this in mind .... The latter takes an active interest in your work and would like to assure you again that you can help many people with it. He turns to you and always remains close to you, so that you will suddenly feel when he pushes himself into your thoughts. He has no problems with your environment, for all the beings are dear to him .... He would like to make his presence known to you all and yet is sorry that he cannot make himself understood. However, when your thoughts are with him, he will try to make himself noticeable to you if the Father gives him the strength to do so .... Today he just wants to greet you and request your prayer .... But someone wants to speak to you himself and we are happy to let him do so .... 'Dear friend, your efforts are a comfort to us and give us hope, for we need the love of people on earth because we failed to make contact with the Lord during our lifetime on earth. Oh, how wrong was our life on Earth .... Now we have a difficult battle and we are so grateful to you because your kind thoughts, your prayers, help us so much .... We depend on your love, for this reason we constantly gather around you, for the Father grants us the grace of being allowed to take part in your work .... 'Thanks be to the heavenly Father, for through your work we now recognise our task and eagerly devote ourselves to it .... spurred on by your spiritual work, your struggle and activity and strengthened by your prayer in which you remember us. It is a blessing for all of us who are surrounding you, for we have thereby also gained an insight into the working of higher spiritual beings which approach us with so much love, and we are permitted to be present with you at every contact in order to learn ourselves how we should accomplish our work in the beyond in order to ascend ever higher.' Now you shall still hear something that will please you: All beings in the beyond are instructed to support you, consequently, we, being capable of helping you, will not leave your soul in distress and you will always be surrounded by a group of people who were close to you on earth and even today still gladly stay with you when it involves protecting you against all dangers threatening your soul. Therefore always remember all your loved ones who passed over before you with affection .... they are now always around you and beg God that He may bless you in order to be forever united with you. Grant them your prayer too, for one shall always take care of the other with love.

Amen

### **Intercession for souls in the beyond...I.**

I repeatedly emphasize that people still live in too much darkness and that therefore a light shall be kindled for them. But much is described as light which is more likely to intensify the darkness. For deceptive lights emerge from My adversary and are transmitted to people by spiritual powers who have no authority to teach but who express themselves where contacts to the spiritual world are established which can be intervened by immature spirits, because the conditions that guarantee the transmission of pure truth do not yet exist .... My adversary will always aim not to lose his followers, and therefore he will try to prevent people from loving activity of any kind. First and foremost he will try to stop the souls from leaving the abyss, from coming out of the darkness into the light of day. Thus he will do whatever it takes in order to prevent the souls being released from the abyss, if they entered the kingdom of the beyond still not having found faith in Jesus Christ. Such souls can only be helped through loving intercession because this means certain rescue from the fall into the abyss, from the worst darkness .... But this is what he wants to prevent people to do, since loving intercession is the only means to strengthen the will of these unfortunate souls, so that they become receptive to the teachings given to them in the kingdom of the beyond by spiritual guides ....

All unredeemed souls lack the strength to improve their situation. They depend on loving intercession by people which in turn gives them strength without any kind of obligation .... No being will be able to resist love forever, and that is what the adversary wants to prevent ....

If a human being willingly accepts to be taught by the spirit within himself, he will always receive truthful clarification .... But if the working of the spirit in the human being is questionable, if he does not receive knowledge from Me directly but from beings in the spiritual kingdom which he cannot control himself, he should be cautious and seriously scrutinise whether the imparted teachings correspond to truth .... For then he can easily become Satan's helper if he spreads spiritual knowledge which contradicts the truth. It is easily verified if a person uses love as a guideline ....

Does it corresponds to My love and wisdom to deny help to an unhappy being? Would I allow a being, which is longing for redemption and light, to remain imprisoned by Satan's claws?

Only the being's will decides whether it accepts help, but help will never be denied, Satan will never be granted this power, for I will never condemn but only ever try to rescue the souls from the abyss. And this salvation .... if the soul itself is too weak .... can only take place by means of strength of love which is imparted to poor souls by people or by the beings of light .... And loving intercession by someone on earth has the effect of strength which benefits the soul and fortifies its will .... but the will of the soul will be complied with. The fact that My act of Salvation is continued in the kingdom of the beyond has its foundation in My immense love for all My living creations .... Time and again I will help the fallen beings to ascend, although I respect their free will.

A person's love on earth for such unredeemed, unhappy souls is a flow of strength which touches the souls and can stimulate their will to accept the instructions which they are also able to receive in the spiritual kingdom, providing them at first with a faint light which will increase in proportion to their willingness of accepting instructions. My love has no end, it also applies to these souls, and I will never allow the adversary to stop them when they look for the path to the light .... So I continually entrust these souls to people that they may remember them in silent intercession and truly, no soul will be lost who is remembered in loving intercession.

Preaching people the futility of intercession for souls in the beyond is a truly satanic doctrine. This teaching cannot have originated from Me since it is completely contrary to My plan of Salvation, which includes the kingdom of the beyond, and everyone on earth can participate simply through loving intercession ....

Time and again I say to you that you could redeem all inhabitants of hell by virtue of intercession .... For My adversary is powerless in the face of love, love will seize from his hands every soul he would like to keep captive .... Compared to love he has no strength, and thus he wants to stop people from acting with love by lying to you humans about the effectiveness of your loving intercession. And he finds willing people who accept such error and eagerly

endorse it as truth .... And if these people would consider that their doctrines totally contradict My love and wisdom, they would soon realise their error themselves, for I will always try to redeem and never condemn the souls. And every human being who is willing to love will support Me in this act of Salvation so that I, for the sake of their love, can bestow strength and yet do not act in opposition to the law of eternal order ....  
Amen

**Intercession for souls in the beyond...II. reply to the doctrine that only ,qualified‘ praying – men are entitled to pray for souls...**

I will only ever explain the Gospel of love to you, because you will achieve your task in earthly life when you accept this Gospel, when you fulfil the commandments of love for God and your fellow human beings. Hence you need only ever ask yourselves whether your thoughts, words and conduct correspond to My commandments of love. But only the love which is kindled deep within your heart will be required, for I cannot be satisfied with mere words and gestures .... And thus all labours of love have to be done unselfishly, since the expectation of reward diminishes love, and then the deeds will merely be valued by worldly standards. The innermost feeling of wanting to help and to bring happiness will always be decisive. When I ask you to live a life of love I mean selfless, giving love, only this will result in your maturity. But this pure, divine, selfless love unites you with Me, and whatever you ask of Me in this love for your neighbour will be given to him, be it an easing of earthly hardship or the conveyance of spiritual values .... Your love for your neighbour will always accomplish it. Prayers without love, which are m spoken by the mouth but do not arise from the bottom of your heart .... might just as well not have been spoken, for they do not reach My ear and therefore cannot be answered either.

But since the actual the purpose of earthly life is to do works of love, I will not stop preaching love either. I will only ever assign the labourers in My vineyard to spread the Gospel of love, to appeal to every human heart and stimulate it into selfless activity of love .... That I will never prevent a person from doing a kind deed .... goes without saying. It only matters that he is lively and prompted by love, because I ignore formalities since they are worthless for a person's soul. Thus I Myself shall assess the human being's will, and only I know whether or not his heart is involved in everything he thinks, says or does.

You humans should always just preach love, but you may never prevent people from doing kind deeds .... which also include the prayer for the deceased .... For do you know the degree of maturity of those who pray? .... And do you not cause doubts in people you caution about such prayers? Do you believe that they can judge for themselves whether their prayers are heard by Me? .... Do you also want to stop those from praying who are worried about their deceased and would like to help them or they would not be praying in the first place? .... You will cast doubts into their hearts, because a humble person is not convinced of his maturity, and only that should qualify him to pray for those souls ..... And who can claim to have such a profound basis of faith that only his prayers are valuable?

Judging a prayer's value should be left to Me alone, because I even value every soul's will to help, and truly, I will shield every praying person from My adversary's power. Only empty lip-prayers are worthless, but such praying men are still subject to My adversary's power or their faith would be alive and their prayer would come from their hearts. Thus you should not warn against prayers for the deceased, because it is not true that a praying person becomes subject to My adversary due to his prayer. A prayer just cannot be answered by Me if it is merely voiced by the mouth. And such prayers will truly not save the souls from the adversary .... These praying people need not fear his revenge because they do not take any souls from him.

Let Me tell you that I only want to correct your thinking which became misguided, because you did not get such teaching material from Me, as it contradicts the truth which I send to earth for a light to shine in the darkness which was spread across humanity by My opponent. Wherever a spark of love is kindled the human being draws nearer to Me, and only such a spark of love will prompt a human being to pray for souls in the beyond ..... And a person like that is not without faith or he would deny all continuation of life after death and never forward a prayer for the souls

....

Amen

**Effect of misguided teachings in the beyond...**

Many incorrect thoughts were imparted to humanity which, however, has been people's own fault or the powers of darkness could not have caused such devastating work. With a bit of thought people could have recognised that they were not given the truth, but they neglected to do this and thoughtlessly accepted everything. These misguided teachings are now so entrenched in human thought that it is difficult to expel them, but the danger rests in the fact that ever more misguided teachings will emerge from this error. No spiritual progress can be achieved, neither on earth nor in the kingdom of the beyond, as long as such misguided teachings are not corrected and thus rendered harmless, which can only be done by imparting the pure truth again. But it is difficult to correct every (single) doctrine, because the understanding of it requires a clear description of the divine plan of love and salvation, which will subsequently prove the futility of such wrong teachings, so that every error becomes evident if a person genuinely wants to know the truth.

When a soul enters the spiritual kingdom fraught with erroneous thoughts, it will continue to exist with its misconceptions and will never achieve spiritual progress .... It will hardly accept the truth, and it is far more difficult to guide someone, who deems himself knowledgeable, into truth than someone completely ignorant, who is more willing to accept being taught, who thus is willing to accept the truth. The former will only start to think when they are feeling dissatisfied and are permanently living in darkness or in very faint twilight .... providing they are not hostile ....but it will not give them a sense of happiness .... Then they will start to ponder the false promises which they had held on to on earth as sacred gospel.

In order to encourage such souls to reflect on and accept the truth, they often have to spend a very long time in disagreeable spheres .... so that they will remember the misguided teachings, follow them and still not experience an improvement of their situation .... Only then will they begin to doubt, and only then can they be approached by the bearers of truth who will slowly help them to change their way of thinking .... But it often takes a long time before the truth begins to dawn on the soul. Consequently, one of the most important tasks by the labourers in the Lord's vineyard is to take action against error and falsehood on earth already and to make people aware that they are wasting their time .... Even if they don't believe it they will remember these warnings sooner when they pass away from this earth, which results in faster understanding in the kingdom of the beyond.

Time and again people should be reminded that everything they comply with is futile unless they give priority to the commandment of love for God and one's neighbour .... Their attention should be quite candidly drawn to the misguided teachings .... and there are many of them .... They should be reminded that God only asks people to love in order to be able to admit them into His kingdom .... that without love everything else is worthless for the soul. And even if it incenses people, their souls will thank you one day when they have left their earthly cover. And when they find themselves in a poor and inadequate state and cannot explain it, they will remember your advice and in view of their state also realise the truth .... Then they will be grateful when the truth is given to them, because only this can help them to ascend, only through truth can they achieve beatitude ....

Amen

### **Effect of misguided teachings in the beyond...**

Many more errors will still have to be corrected by Me if human beings are to live in truth. People's thoughts are thoroughly lead astray, one misguided teaching leads to many other misguided teachings, and people cannot escape from them, they are representing a truth which was given to them by people who did not have the truth themselves because their spirit was unenlightened. And countless many souls enter the spiritual kingdom in this lightless state. Even then they still defend their doctrines and cannot be convinced that their reasoning was wrong, and will remain wrong as long as they do not accept a light which shines for them in the beyond too but which they have to accept of their own free will. The battle between light and darkness even rages in the kingdom of the beyond, for time and again the beings of light try to kindle a light for those of dark spirit, but their endeavour is frequently in vain since the souls hold on to their misconceptions. And yet, the latter cannot understand why they do not experience beatitude although they believe to have done everything on earth in order to gain it.

And as long as they do not understand that My will is in fact different from what they were told on earth .... as long as they do not realise the irrelevance of what had been demanded of them .... as long as they do not recognise that I make other demands on people than to comply with ecclesiastical customs and external appearances, that I only expect love from people and only assess a person in accordance with his degree of love and that his beatitude will depend on his degree of love .... the souls will not experience an enviable fate, even if they are not languishing in deepest darkness.

But they argue and do not comprehend the state of their wretchedness, indeed, they frequently reproach themselves for not having sufficiently fulfilled the ceremonies and humanly decreed commandments, and as a result are not yet admitted into beatitude. It could be theirs in a very short time if only they would accept the light beings' teachings or get a small light where the ray of light is transmitted to earth, where purest truth is distributed and avidly accepted by all famished souls .... But they are just as stubborn in the kingdom of the beyond as they were on earth and reject everything which disagrees with their opinion, and the adversary still has immense power over these fanatics ....

For even in the kingdom of the beyond they fail to help each other which would increase their degree of love and decrease their rejection of light .... They cannot make any progress in the spiritual kingdom because love is the strength that helps the soul to ascend in the spiritual kingdom too. But love is also the light, and even in the kingdom of the beyond they can love each other, for in a state devoid of bliss there is still hardship and misery, and one soul will always be able to help another .... Then the souls' thoughts will become ever more enlightened, they will question each other and will certainly receive an answer .... But love always comes first, and those souls' big spiritual misconception rests in the fact that they superseded love by what human folly had elevated into a 'divine doctrine' .... that they always complied with human demands first and ignored divine demands .... And their condition will eternally not change unless they put love first and, due to their loving will to help other souls, begin to recognise the pure truth, which will then give them unlimited beatitude ....

It is for this reason that every human being, whose thoughts had been misguided on earth but whose will to love and to take action had reached a high degree, will suddenly realise the truth in the kingdom of the beyond and will readily let go of misconceptions. He will endeavour to pass his knowledge on to other souls because he recognises the immense harm caused by error and because his love urges him to help alleviate spiritual blindness. His influence can be extraordinary beneficial because he had held the same thoughts on earth which he now can justify to be wrong, and therefore be successful with souls who just listen to him. Error is the worst poison for human souls and the fight of light against darkness will therefore continue relentlessly, and one day the light will surely win .... The human being, however, is free to choose between light and darkness, he will not be forced and can make a free decision .... but everything will be done to make him aware of the truth while he is still on earth. But the beings of light do not cease their efforts even in the beyond, for only the soul who knows the truth can become blessed ....

Amen

### **Love recognizes the error in the beyond...Intercession..**

Everything that still is and has to remain hidden from you on earth, because your state of maturity would not be able to comprehend it, will be revealed to you. But as soon as you enter (the kingdom of the beyond) with just a small amount of knowledge you will know that you can raise your awareness at any time .... You will know that you only need to be actively loving in order to receive without measure. But you need to have this small glimmer of light, then you will automatically get to the place where further knowledge is available, and your higher development will continue. And your longing to hear increasingly more intensifies the more knowledge you are given, because My gifts are unlimited but they always have to be wholeheartedly desired .... And thus, every human being living with love on earth also knows that he has a light which illuminates the path he has to travel. Only love will be taken into account, and thus the soul's state corresponds to its degree of love when it enters the spiritual kingdom. But then it will also recognise the error as such and detach itself from it, for no beatitude can be expected from error. Misconception confuses (people's) thoughts and has to be preceded by a long struggle before the soul is released from it ....

The fact that most people pass away from earth with misconceptions would be of little consequence had the person overcome his selfishness and lived in unselfish neighbourly love. Then he would automatically arrive in places where a light is shining, where it is either radiated to earth or conveyed to him by the messengers of light. Hence his fate depends on the degree of his love, and only I can recognise this since no thought is hidden from Me. If a human being endeavours to reach Me .... if he is only interested in doing what pleases Me, he has proven that he wants to fulfil his task on earth. If he then takes the wrong path, which makes it difficult to find Me, then his will for Me is taken into account and I will help him to attain perfection.

But only a person who accepts his neighbour as his brother can love Me, because selfless neighbourly love is always proof of love for Me .... given that I ignore mere words without a living faith. In that case, however, the soul will not disassociate itself from error either, because only love is the light which provides the soul with a glimmer of knowledge. Then the person's entry into the kingdom of the beyond is just a continuation of what was more important to him than his love for Me, then he remains subject to error until he is able to free himself from it. But since you humans on earth do not know in what state a person leaves earthly life, and you cannot be directly informed of it either because you should forward intercessory thoughts for all souls, this intercession is indeed necessary if you want to protect each soul from a potentially very long time before it can free itself from error. You can only be certain that outright souls of love will enter the spheres of light, all other souls require your intercession. And they will be truly grateful to you for it, after all, only a loving prayer sent to Me will be helpful .... and not the prayers of congregations, which are intended to help the soul to beatitude.

Remember the deceased, and let them know that you want to give them My Word to enlighten them, which is food and drink for the souls, nourishment to strengthen them, because many souls are still suffering great hardship by living in twilight, if they are not entirely engulfed by profound darkness. Even then you can release these souls through heartfelt prayer, they will feel blissful relief and gradually let go of their opposition to Me .... I want all souls to find salvation even now, I don't want them to be devoured again by the abyss. I want that Jesus Christ's act of Salvation is brought to them time and again, which they will comprehend ever better the more light they are given. For loving intercession is strength which will benefit every soul you pray for .... All souls appeal to you for this because they are unhappy as long as they have not found salvation through Jesus Christ, Who died on the cross for all sins ....

Amen
